

**DIRECTIONS WHILE DECLARATION OF EMERGENCY DATED 21 DECEMBER  
2020 IS IN FORCE**

**Sections 263, 264 and 268(4) of the *Corrective Services Act 2006***

On 21 December 2020, I, Peter Martin APM, Commissioner, Queensland Corrective Services (**QCS**), with the approval of the Minister for Police and Minister for Corrective Services, declared that an emergency exists in relation to all corrective services facilities for the period commencing on 1 January 2021 and expiring at 11:59pm on 31 March 2021 (the **Declaration**).

The Declaration was made following extensive consultation with the Chief Health Officer, Queensland Health and the State Health Emergency Coordination Centre who believed it was necessary to make the Declaration to assist in containing, or to respond to, the spread of COVID-19 within corrective services facilities and the wider community.

Today, Queensland Health:

- announced a 26-year-old man in Stafford had tested positive to COVID-19. The man had been infectious in the community since 19 March 2021;
- requested that all of the **Greater Brisbane Queensland Corrective Services Facilities** implement restrictions on visitors to limit entry to facilities to only individuals who are essential to either the effective operation of the facility or the health, wellbeing or safety of the prisoners;
- announced they would be issuing a detailed public health alert calling for people in Queensland who had visited the **Named Locations** to be tested for COVID-19; and
- announced that all non-essential visits to hospitals, residential aged care facilities and disability accommodation services in **Greater Brisbane** would cease from 12:00pm

In light of the request and announcements by Queensland Health, and following consultation with Queensland Health, and in recognition of the fact that the safety and welfare of prisoners and staff are paramount considerations for QCS, I direct as follows:

1. I have made a decision pursuant to section 157(1A) of the *Corrective Services Act 2006* (**CS Act**) to suspend all visitor access approvals for personal visitors to any and all of the Greater Brisbane Queensland Corrective Services Facilities (the **Suspension Decision**);
2. in reaching the Suspension Decision I have considered:
  - a. the effect of a proposed suspension on a child for whom approval has been given to accompany the visitor; and
  - b. whether the child may, unaccompanied by an adult, visit the prisoner. I consider that, in light of the current COVID-19 health emergency, the entry of any person, including children, could potentially put corrective services facilities at risk;
3. the Suspension Decision will remain in place until further notice, for a period of up to one year;
4. in addition to the suspension of access approvals for personal visitors under the Suspension Decision, and pursuant to section 263(2) and section 268(4) of the CS Act, all visitor access to the Greater Brisbane Queensland Corrective Services Facilities is prohibited other than access by:
  - a. an accredited visitor where access is approved by me;

- b. a government visitor where access is approved by me;
  - c. a casual site visitor where access is approved by me;
  - d. a law enforcement visitor;

6. the only Staff Members that may attend the Queensland Corrective Services Academy (the **Academy**) are those for whom the Academy is currently their normal place of work, no other Staff Members or visitors may attend the Academy unless approved by me;
7. Staff Members for whom the Academy is currently their normal place of work must not attend at other QCS work locations until further notice unless approved by me;

11. the 'Managing new admission reception prisoners and COVID-19 isolation' policy will apply to all corrective services facilities that are not Greater Brisbane Corrective Services Facilities;

  - Wolston Correctional Centre;
  - Helena Jones Correctional Centre;
  - Southern Queensland Correctional Centre;
  - Palen Creek Correctional Centre;
  - Numinbah Correctional Centre;
  - Woodford Correctional Centre; and
  - Princess Alexandra Hospital Secure Unit.
- c. a reference to **Greater Brisbane** includes the following Local Government Areas: City of Brisbane, City of Ipswich, Logan City, Moreton Bay Region and Redland City; and
- d. a **Named Location** is a place for which an active contact tracing alert has been published on the Queensland Health website, provided that the Staff Member was in the Named Location during the times specified in the alert.

These directions are made pursuant to sections 263(2), 264 and 268(4) of *Corrective Services Act 2006 (CS Act)*. They have been made in consultation with Queensland Health, the Chief Health Officer and the State Health Emergency Coordination Centre and in accordance with the approach taken by the Queensland Government to prevent the transmission of COVID-19.

Given the high risks to a vulnerable prison population if COVID-19 were to enter a corrective services facility, and the medical advice received, I consider that any impact on the human rights of prisoners, staff, family members or any other person as a result of these directions is demonstrably justifiable.

These directions will take effect on signing, revoking and replacing the previous directions made by me pursuant to sections 263(2) and 268(4) of the CS Act on 20 March 2021. These directions will remain in place until revoked or replaced by me.
