

**DIRECTIONS WHILE DECLARATION OF EMERGENCY DATED 21 DECEMBER
2020 IS IN FORCE**

Sections 157(1A), 263, 264 and 268(4) of the *Corrective Services Act 2006*

On 21 December 2020, I, Peter Martin APM, Commissioner, Queensland Corrective Services (**QCS**), with the approval of the Minister for Police and Minister for Corrective Services, declared that an emergency exists in relation to all corrective services facilities for the period commencing on 1 January 2021 and expiring at 11:59pm on 31 March 2021 (the **Declaration**).

The Declaration was made following extensive consultation with the Chief Health Officer, Queensland Health and the State Health Emergency Coordination Centre who believed it was necessary to make the Declaration to assist in containing, or to respond to, the spread of COVID-19 within corrective services facilities and the wider community.

On 12 March 2021 a doctor working at the Princess Alexandra Hospital in Brisbane tested positive to COVID-19. Following the diagnosis, Queensland Health placed the Princess Alexandra Hospital, in which the Princess Alexandra Hospital Secure Unit is located, into lockdown.

Today, Queensland Health:

- requested that all of the **Greater Brisbane Queensland Corrective Services Facilities** implement restrictions on visitors to limit entry to facilities to only individuals who are essential to either the effective operation of the facility or the health, wellbeing or safety of the prisoners;
- issued an alert calling for people in Queensland who had visited the **Named Locations** to be tested for COVID-19; and
- announced that all non-essential visits to hospitals, residential aged care facilities and disability accommodation services in **Greater Brisbane** would cease from 12:00pm

In light of the request and announcements by Queensland Health, and following consultation with Queensland Health, and in recognition of the fact that the safety and welfare of prisoners and staff are paramount considerations for QCS, I direct as follows:

1. I have made a decision pursuant to section 157(1A) of the *Corrective Services Act 2006* (**CS Act**) to suspend all visitor access approvals for personal visitors to any and all of the Greater Brisbane Queensland Corrective Services Facilities (the **Suspension Decision**);
2. in reaching the Suspension Decision I have considered:
 - a. the effect of a proposed suspension on a child for whom approval has been given to accompany the visitor; and
 - b. whether the child may, unaccompanied by an adult, visit the prisoner. I consider that, in light of the current COVID-19 health emergency, the entry of any person, including children, could potentially put corrective services facilities at risk;
3. the Suspension Decision will remain in place until further notice, for a period of up to one year;
4. in addition to the suspension of access approvals for personal visitors under the Suspension Decision, and pursuant to section 263(2) and section 268(4) of the CS Act, all visitor access to the Greater Brisbane Queensland Corrective Services Facilities is prohibited other than access by:

- a. an accredited visitor where access is approved by me;
 - b. a government visitor where access is approved by me;
 - c. a casual site visitor where access is approved by me;
 - d. a law enforcement visitor;
 - e. an emergency services officer;
 - f. a professional visitor whose attendance is necessary to perform health duties or provide psychological care and access is approved by me;
 - g. a commercial visitor whose attendance is necessary to perform essential maintenance or delivery of essential goods and services and access is approved by me;

 - i. religious visitors, where access is approved by me;
5. any **Staff Member** who:
- a. arrived in Queensland from New Zealand on or since 6 February 2021 who has not completed a quarantine period; or
 - b. was in a Named Location,
- must:
- a. immediately inform their direct supervisor in writing and not attend at their place of work (whether that place is a corrective services facility or otherwise);
 - b. undergo a test for COVID-19; and
 - c. comply with all directions given by their direct supervisor and Queensland Health in relation to their COVID-19 test and any self-isolation or quarantine requirements;
6. any person who is not a Staff Member and who has arrived in Queensland from New Zealand on or since 6 February 2021 who has not completed a quarantine period, must provide evidence that they have been tested for COVID-19 and cleared by Queensland Health before entering a corrective services facility;
7. the wearing of face masks as approved personal protective equipment is mandatory:
- a. for all Staff Members and visitors to the Greater Brisbane Queensland Corrective Services Facilities including when transporting a prisoner outside of a corrective services facility;
 - b. for all Staff Member and visitors to any other corrective services facility, including when transporting a prisoner, in circumstances where social distancing is not possible, or otherwise as directed by Queensland Health personnel;
8. the wearing of face masks as approved personal protective equipment is mandatory for all prisoners who have COVID-19 symptoms, as determined by Queensland Health personnel, when they are required to leave their cells including whilst being transported outside a corrective services facility;
9. the 'Managing Prisoner Receptions Policy' will apply to all Greater Brisbane Corrective Services Facilities;
10. the 'Managing new admission reception prisoners and COVID-19 isolation' policy will apply to all corrective services facilities that are not Greater Brisbane Corrective Services Facilities;
11. the following QCS policies will apply to all corrective services facilities:

<u>Place</u>	<u>Time period</u>

These directions are made pursuant to sections 263(2), 264 and 268(4) of CS Act. They have been made in consultation with Queensland Health, the Chief Health Officer and the State Health Emergency Coordination Centre and in accordance with the approach taken by the Queensland Government to prevent the transmission of COVID-19.

Given the high risks to a vulnerable prison population if COVID-19 were to enter a corrective services facility, and the medical advice received, I consider that any impact on the human rights of prisoners, staff, family members or any other person as a result of these directions is demonstrably justifiable.

These directions will take effect immediately upon signing, revoking and replacing the previous directions made by Paul Stewart APM, as Acting Commissioner, pursuant to sections 263(2) and 268(4) of the CS Act on 26 February 2021. These directions will remain in place until revoked or replaced by me.

Peter Martin APM

Commissioner, Queensland Corrective Services
