## QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

### CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

### MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

### HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at [www.jobs.qld.gov.au](http://www.jobs.qld.gov.au). The information kit will include:
  - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
  - a job information package, outlining the procedure for preparing and sending in your application, and
  - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
  - completed cover sheet (available on jobs online or in the kit mailed to you)
  - covering letter
  - resumé / curriculum vitae
  - names and contact details of (2) referees, and
  - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

**Notice of adoption of  
minor amendments to the  
Brisbane City Plan 2000 pursuant  
to Schedule 1 of the Integrated  
Planning Act 1997, by changing  
the designation of parts of a  
public waterway on "Map 'B'  
– Movement, Waterway Systems  
and Koala Habitat" and lands  
with "Significant collection of  
cultivated rare and endangered  
plants" within the Rochedale  
Urban Community Local Plan**

At its meeting of 20 May 2008, Council adopted minor amendments to the Brisbane City Plan 2000 by changing the designation of a public waterway on "Map 'B' – Movement, Waterway Systems and Koala Habitat" and lands with "Significant collection of cultivated rare and endangered plants" within the Rochedale Urban Community Local Plan.

**Purpose and General Effect of these amendments**

The purpose of these adopted amendments is to change inconsistencies in the Rochedale Urban Community Local Plan regarding the designation of parts of a public waterway on "Map 'B' – Movement, Waterway Systems and Koala Habitat" and lands with "Significant collection of cultivated rare and endangered plants". Part of the property at 451 Miles Platting Road is incorrectly designated as a publicly owned fringe waterway corridor, and amendments will accurately describe that part of the property as being in private ownership. Schedule 2 of the Local Plan incorrectly identifies parts of properties at 447-453 Miles Platting Road as containing a "Significant collection of cultivated rare and endangered plants". Only 447 Miles Platting Road contains such a collection of plants, while 451 and 453 Miles Platting Road do not contain such vegetation and will be removed from Schedule 2 accordingly. The general effect of the amendment will be to correct the relevant provisions of the Local Plan and to avoid confusion for residents and stakeholders in Rochedale.

**Where can I get a copy or further information?**

A Copy of the adopted amendments is available for inspection and purchase from the Brisbane City Council, Library and Customer Service Centre, Level 1, North Quay Podium, Brisbane Square, 266 George Street, Brisbane. For more information please either visit the Council Library and Customer Centre or telephone Council on 3403 8888.
