The Office of Fair Trading (OFT) collects information, including personal information, on this form as required by the *Security Providers Act 1993* to process your application. In accordance with this Act, some personal information may be passed on to police services in Australia (including federal, states and territories) for criminal history searches. Enquiries may also be made with the Department of Home Affairs to verify eligibility to work in Australia. Your name and address will be placed on a register which may be inspected by the public upon payment of a prescribed fee. Additionally, information on this form can be disclosed without your consent where authorised or required by law. Under the *Fair Trading Act 1989* information may also be shared on a confidential basis with other Australian fair trading agencies.

If you give the OFT an email address to communicate with you, the personal information in these communications will be stored on your email service provider's servers. These servers may be outside of Australia. By giving us your email address, you are consenting to the personal information contained within the emails to and from the OFT to be transferred outside Australia.

No GST payable on licence fees.

Mandatory criminal history check fee is payable in addition to the application fee.

If you were born in New Zealand or have a New Zealand passport, you need to get a copy of your criminal history or a letter indicating you have no criminal history from New Zealand. For more information, visit the New Zealand Ministry of Justice website www.justice.govt.nz

We can only accept original documents dated within one month of the date you send them to us. Please note, it can take up to 20 working days to process a request for a New Zealand criminal history check. There is no fee payable for you to get a New Zealand criminal history check.

A mandatory fingerprinting fee is payable in addition to the application fee and criminal history check fee. The fingerprinting fee is payable at the time of lodging the original application and will not need to be paid again unless your licence expires.

So that your application for a licence can be considered, all applicants are required to have fingerprints taken by the Queensland Police Service. You will be advised in writing of the process to have your fingerprints taken after your application is lodged. An appointment must be made before attending a police station to have your fingerprints taken for the purpose of this licence. You should read the mandatory fingerprinting privacy information statement attached to this application.

Already fingerprinted

While you have a current licence under the *Security Providers Act 1993* you only need to have your fingerprints taken once. This applies even if you apply for any additional security licences.

However, you do need to give your fingerprints again if you have had them taken for another reason. For instance, you may have been fingerprinted if you hold a gaming or weapons licence or hold a blue card.

Mandatory fingerprinting privacy statement

Under the *Security Providers Act 1993* (the Act), the Office of Fair Trading requires your fingerprints to be taken to confirm your identity and to undertake ongoing probity checks under section 20 of the Act.

Your fingerprints will be taken by specially trained Queensland Police Service staff who are authorised to do so. Once your fingerprints are taken, they will be securely stored by the Queensland Police Service Fingerprint Bureau. Your fingerprints will also be uploaded onto the National Automated Fingerprint Identification System (NAFIS). NAFIS is operated and secured by CrimTrac, the Australian Government agency that also provides the criminal history search service. As a Commonwealth agency, CrimTrac must operate in accordance with the Commonwealth *Privacy Act 1988*.

Criminal History Checks will still be conducted on every licensee and any additional names identified by the initial fingerprint identification process will also have criminal history searches conducted against them.

Ongoing probity checks will be performed daily by comparing fingerprints stored on NAFIS against unidentified latent fingerprints from unsolved crime scenes. This is in addition to overnight matching of licence details against the Queensland Police Service database to determine if a licensee has been charged with a disqualifying offence.

Fingerprint records will also be available to other police services in Australia. However, your fingerprints will **NOT** be available to the Office of Fair Trading.

As your fingerprints are only required while your security provider licence is current, once your licence ceases, because it has expired, the application has been withdrawn or the Chief Executive has cancelled your licence or has refused to renew your licence, your fingerprints will be destroyed. The fingerprint records to be destroyed will only be the fingerprints taken as part of the security provider licence process. The destruction will include the copy stored at the Fingerprint Bureau and the security provider licence fingerprint record stored on NAFIS. The destruction will be performed by two highly qualified fingerprint specialists and will be done in the presence of a Justice of the Peace. Destruction will be scheduled automatically after all appeal rights are exhausted. You will not have to request to have this done.
