

ADVICE

Issued by Cairns Maritime Region on 13 April 2024

Area: Far North Queensland
Locality: Stanley Island – Flinders Group National Park
Activity: Reduction burn

Mariners are advised that:

A planned burn operation is scheduled to be conducted on Stanley Island, which is located at approximate position latitude 14° 08.742' E, longitude 144° 14.947' E, commencing from the 13th April 2024 until the 17th April 2024. The burn operations have the potential for smoke and ash to blow over the Flinders Group National Park and surrounding waters which may restrict visibility.

Persons with respiratory concerns are advised to take appropriate measures to mitigate any risks.

Mariners are advised to navigate with caution.

Latitude and longitude positions are on WGS84 horizontal datum and are compatible with GDA2020 datum.
