

Amendment of a registered training contract

Examples of amendments to a registered training contract include changes to:

- the start date of the apprenticeship or traineeship (**documentary proof of change is required**)
- employment mode – e.g. from part-time or school-based to full-time arrangements
- the qualification (**Note:** if changing to a qualification in a different industry/training package, please consider asking Provider about any implications regarding government funding or incentives, and the process to extend the training contract if necessary; and the Fair Work Ombudsman, on 13 13 94, about any implications for wages).
- the qualification level – e.g. from Certificate II in Retail Operations to Certificate III in Retail Operations
- the date of birth where it impacts on legislated age restrictions (**evidence:** A document reflecting the correct date of birth, such as a birth certificate, passport or licence. Only Justice of the Peace (JP) or Commissioner for Declarations (Cdec) certified copies will be accepted electronically).

Amendment of the training contract will not take effect until a decision has been made by the Department of Trade, Employment and Training or your Apprentice Connect Australia Provider (Provider).

Select your nominated Provider and return the **completed** and **signed** form (using a subject heading of 'Amendment') via email -
