

Completion of an apprenticeship or traineeship (where the RTO has ceased operating)

The parties to a registered training contract may make application to the Department of Employment, Small Business and Training (DESBT) for the issue of a completion certificate if the supervising registered training organisation (SRTO) for the apprentice/trainee has stopped operating as a registered training organisation (RTO) before a completion agreement is signed by the parties and the SRTO.

The employer and apprentice/trainee **MUST** be satisfied the apprentice/trainee has completed all training and assessment required under the training plan.

NOTE: DESBT will issue the completion certificate ONLY if satisfied the apprentice/trainee has completed the apprenticeship/traineeship in accordance with the *Further Education and Training Act 2014*.

This form **CANNOT** be used for apprenticeships/traineeships where an industry's regulatory and licensing authority requires that a SRTO must verify that all training and assessment required under the training plan has been completed by the apprentice/trainee, e.g. electrical licensing. In these situations, the parties will be required to choose another SRTO before the apprenticeship/traineeship may be completed.
