

Notice of intent to complete

A supervising registered training organisation (SRTTO) who has received a **completion agreement signed by at least one party to the training contract**, should use this form to advise the Department of Trade, Employment and Training (DTET) when they are reasonably satisfied the apprentice or trainee has completed their apprenticeship or traineeship, but the other party has either:

- refused or neglected to sign a completion agreement after being requested to do so; or
- not signed a completion agreement because they cannot be contacted.

Following investigation, the DTET will consider issuing a completion certificate to the apprentice or trainee.

How to return the **completed** and **signed** form

1. Via email to your Apprentice Connect Australia Provider (Provider) (in Queensland), if known; or
2. Via email to apprenticeshipsinfo@qld.gov.au or post to **Apprenticeships Info, PO Box 15121, CITY EAST QLD 4002**.

IMPORTANT: Failure to complete all details in this form and attach a copy of the completion agreement may lead to delays in processing.

If a signature on the completion agreement was obtained in accordance with the [Electronic Signing Policy for Apprenticeships and Traineeships in Queensland](#), the SRTTO must attach this evidence.
