 - (i) where practicable give the Owner reasonable prior written notice; and
 - (ii) act reasonably.
- (b) The Grantee indemnifies the Owner in respect of any accident howsoever occurring except to the extent caused or contributed to by:
 - (i) the negligence of the Owner or the Owner's servants, agents, employees, workmen, contractors, lessees, tenants or licensees;
 - (ii) a breach by the Owner or the Owner's servants, agents, employees, workmen, contractors, lessees, tenants or licensees of this easement;
 - (iii) a breach by the Owner or the Owner's servants, agents, employees, workmen, contractors, lessees, tenants or licensees of the Lease; or

- (iv) any other unlawful act or omission of the Owner or the Owner's servants, agents, employees, workmen, contractors, lessees, tenants or licensees,

Where the Grantee's written consent is required the Grantee may provide it, refuse to provide it or agree to provide it but on stated conditions.

6. Things the Owner may do

The Owner may close the entrances and exits to the Building thereby restricting access by the Grantee, the Grantee's Invitees and the Grantee's Workmen to the Easement Land at times during which the Station is closed but not at any other time. The Grantee's determination as to when the Station is closed is conclusive and the Grantee may notify the Owner from time to time as to when the Station will be closed.

7. Governing Law

The laws of Queensland govern this Easement.

8. Severability

If a provision of this Easement is illegal or unenforceable it may be severed without affecting the enforceability of the other provisions of this Easement.

9. GST

- (a) Interpretation
 - (i) Except where the context suggests otherwise, terms used in this clause have the meanings given to those terms by the *A New Tax System (Goods and Services Tax) Act 1999* (as amended from time to time).
 - (ii) Any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause.
 - (iii) Any reference in this clause to GST payable by an entity includes any GST payable by the representative member of any GST group of which that entity is a member. Any reference in this clause to input tax credits to which an entity is entitled will include input tax credits to which the representative member of any GST group of which that entity is a member is entitled.
- (b) Reimbursements and similar payments

Any payment or reimbursement required to be made under this Easement for a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.
- (c) GST payable

If GST is payable in relation to a supply made under or in connection with this Easement then:

 - (i) any party ("**Recipient**") that is required to provide consideration to another party ("**Supplier**") for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on the supply;
 - (ii) the additional amount is payable at the same time as any of the consideration is to be first provided for the supply or, if later, after the Supplier provides a valid tax invoice to the Recipient.

- (d) Variation

If the GST payable in relation to a supply made under or in connection with this Easement varies from the additional amount paid by the Recipient under clause 9(c) in relation to that supply then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 9(c).

10. Damage to the Easement Land

Any damage to the Easement Land caused by the use of the Easement Land by the Grantee or the Grantee's Invitees whilst exercising rights under this Easement shall be paid for by the Grantee. The Grantee is to be notified of such damage by the Grantor and the Grantee is to be afforded a reasonable time to itself cause the damage to be repaired prior to the Grantor repairing any such damage and recovering the reasonable cost of repair from the Grantee.

11. Lend Lease is Trust

- (a) This Easement applies to Lend Lease in its capacity as trustee for the Lend Lease Core Plus Fund Subtrust Passive ("the Trust") and in no other capacity.
- (b) An obligation or liability incurred by Lend Lease acting in its capacity as trustee for the Trust is limited to and can be enforced against Lend Lease only to the extent to which it can be satisfied out of property of the Trust out of which Lend Lease is actually indemnified for the obligation or liability. This limitation of Lend Lease's obligations applies despite any other provision of the Easement (other than clause 11(d)) and extends to all obligations and liabilities of Lend Lease in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to the deed or to the Trust.
- (c) The Grantee may not sue Lend Lease in any capacity other than as trustee for the Trust, including seeking the appointment of a Controller (as defined in the Corporations Act 2001) (except in relation to the property of the Trust), or a liquidator, an administrator or any similar person to Lend Lease or prove in any liquidation, administration or arrangements of or affecting Lend Lease (except in relation to the property of the Trust).
- (d) The provisions of this clause 11 do not apply to any obligation or liability of Lend Lease in its capacity as trustee for the Trust to the extent that it is not satisfied because under the Trust's deed or by operation of law there is a reduction in the extent of Lend Lease's indemnification out of the assets of the Trust as a result of negligence, fraud or breach of trust.
- (e) Lend Lease does not have to incur any obligation under this Easement unless its liability in respect of that obligation is limited in the same manner as in this clause 11.

QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:

4. OTHER MATTERS

4.1 Ownership of Infrastructure

All Infrastructure and other things brought onto or installed on the Easement Area from time to time by the

Coordinator-General will, as between the Landowner and the Coordinator-General, notwithstanding any affixation to the Easement Area, remain the property of the Coordinator-General.

4.2 Fences

If the Coordinator-General or a person authorised, permitted or licensed by the Coordinator-General to use the Easement Area pulls down or breaks open any fencing under the Easement:

- (a) the Coordinator-General or the person authorised, permitted or licensed by the Coordinator-General may either repair the fencing it has pulled down or broken open or install a gate in place of that fencing to at least a standard reasonably equivalent to that of the fencing before it was pulled down or broken open;

- (c) that owner must maintain the repaired fencing or gate.

4.3 Stamping and registering of Easement

The Coordinator-General must:

- (a) stamp (if required) and register the Easement; and
- (b) make sure that the Coordinator-General or those authorised, permitted or licensed by the Coordinator-General are given all the rights and powers intended to be conferred by the Easement.

4.4 The Coordinator-General will pay all duty and registration fees on the Easement.

4.5 Mining or petroleum tenement

The Landowner must give the Coordinator-General a copy of any notification received by the Landowner in respect of any application for a mining or petroleum tenement under the *Mineral Resources Act 1989*, the *Petroleum Act 1923*, the *Petroleum and Gas (Production and Safety) Act 2004* or any similar or replacement legislation, in respect of land which includes all or any part of the Easement Area, within 7 days after the Landowner receives such notification.

4.6 Further assurances

The Landowner will execute every deed, instrument, assurance or other document and do all such things as may be necessary to secure the rights of the Coordinator-General conferred by the Easement as the Coordinator-General may reasonably require, including (without limitation) obtaining the consent of any person necessary and producing the title document for the Easement Area and executing all documents necessary to give effect to any proposed assignment, transfer, encumbrance or other dealing by the Coordinator-General in respect of the Easement Area.

5. COORDINATOR-GENERAL'S CONSENT

- (a) Subject to clause 5(b), the Coordinator-General may conditionally or unconditionally give or withhold any consent to be given under the Easement and is not obliged to give reasons for doing so.
- (b) The Coordinator-General will not unreasonably refuse or withhold its consent to the Landowner:
 - (i) maintaining any existing road across the Easement Area; and
 - (ii) subject to clause 5(c), erecting and maintaining any fence across the Easement Area if:

(A) each fence includes a lockable gate in a location agreed with the Coordinator-General; and

(B) the Landowner supplies a set of keys to the lockable gate to the Coordinator-General.

(c) It will be reasonable for the Coordinator-General to refuse or withhold its consent if the actions of the Landowner are, in the Coordinator-General's opinion, likely to jeopardise the safety, security or operation of, or interfere with the Infrastructure or restrict the Coordinator-General's access along or across the Easement Area.

6. SEVERABILITY

- (a) Subject to clause 6(b), if a provision of the Easement is illegal or unenforceable in any relevant jurisdiction, it may be severed for the purposes of that jurisdiction without affecting the enforceability of the other provisions of the Easement.
- (b) Clause 6(a) does not apply if severing the provision materially alters the scope and nature of the Easement or the relative commercial or financial positions of the parties, or would be contrary to public policy. (SCHEDULE ENDS).
