Local Government Regulation 2012 (section 140)**NOTICE OF INTENTION TO SELL LAND**

This notice is given by Gladstone Regional Council, and relates to properties described below.

Background

This notice is given because rates or charges levied by the Council on the below properties are at least 3 years overdue or default judgment has been granted by the Magistrates Court on vacant land. Where rates or charges on a property are more than 3 years overdue, or are more than 1 year overdue and default judgment has been granted by the Magistrates Court on vacant land the Council may sell the property at public auction and use the proceeds to discharge the overdue rates or charges.

The Council is required to issue a Notice of Intention to Sell Land to the property owner giving details of its decision and giving the owner a final opportunity to pay the overdue rates or charges. If the overdue rates or charges are not paid within 3 months of the notice, the Council will issue an Auction Notice to the property owner and commence proceedings to sell the property. The sale proceedings will be discontinued if the amount of all overdue rates or charges levied on the land, and all expenses incurred by the Council for the intended sale, are paid to it.

The Council has decided to apply this procedure to the properties described below. This document gives notice of the matters which Council is required to notify under the *Local Government Regulation 2012* to give final opportunity to pay the overdue rates or charges and prevent sale of the land by Council.

Formal Notice

Council hereby notifies as follows: –

- Gladstone Regional Council has, by resolution, decided under section 140 of the *Local Government Regulation 2012*, to sell the land described below for overdue rates or charges.
- The resolution was made by Council in general meeting on Tuesday 7 February 2023 as follows:–
"That Council, pursuant to section 140(2) of *Local Government Regulation 2012*, resolve to sell the 37 properties listed in Attachment 1 for overdue rates and charges."
- Details of all overdue rates or charges and interest accrued on the overdue rates for the land as described below as at 7 February 2023.
