

NOTICE TO MARINERS

157 of 2023

Issued by Gladstone Maritime Region on 6 April 2023

Area: Capricorn Coast

Locality: Elliott River

Activity: Repositioned Aids to Navigation, changes to existing aid to navigation characteristics and the withdrawal of a starboard lateral beacon.

Mariners are advised that:

Maritime Safety Queensland has removed and repositioned a number of aids to navigation in the Elliott River.

Aids to navigation in the river are not lit and the new approximate positions are as follows:

Elliott River 2 Red buoy repositioned to –
Latitude 24° 55.680' S longitude 152° 29.451'E

Elliott River 1 Existing starboard lateral beacon removed, and a green buoy established in new position – latitude 24° 55.787'S longitude 152° 29.118'E

Elliott River 3 Starboard lateral beacon removed as no longer required

Elliott River 4 (red buoy) and Elliott River 6 (port lateral beacon)

Remain in existing charted positions

Sand shoaling in Elliott River is rapidly changing and mariners are advised to navigate the area with caution and seek local knowledge before crossing the bar.
