

Supporting small business recovery in Townsville

Our Small Business Recovery Centre is now open as a one-stop shop to help small businesses get back up and running. Drop in or make an appointment to access advice from local, state and federal agencies.

Support includes:

- one-on-one mentoring with small business recovery experts
- access to government and community representatives
- advice on insurance, workplace health and safety, HR, retail leases, taxation and BAS
- small business workshops
- workspace to conduct your business
- access to communication tools to encourage the community to shop local.
