

To Whom it may concern

I am writing on behalf of all the local people I know on the streets and on the beach of Surfers Paradise, where I have lived for almost twenty years! All these people and there are dozens, we like to think of ourselves as the friends of the Gold Coast, who are in this area 24/7.

Since the Broadbeach bikini brawl, the area of Surfers Paradise and Broadbeach, thank goodness is a lot safer! More families are coming back to the area, and people are not living in fear!

We are a mixed bunch, we are not all labour or liberal, but we are all aware of the big change, since the bikini laws were put in place!

Why would anyone want to go back to the way it was before - a nightmare!!

I hope that this report, from the people who live here in Surfers Paradise and Broadbeach will have some Input! PLEASE DONOT GIVE I BACK TO THE BIKIES

PLEASE DONT GIVE IT BACK TO THE BIKI

Yours sincerely:

on behalf of Fifty Like minded people!!
