QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

QUEENSLAND LAND TAX

2007-08 financial year

ASSESSMENTS ON LAND OWNED AT 30 JUNE 2007 COMMENCED ISSUING IN AUGUST, 2007

Assessments of land tax on all land owned at midnight on 30 June 2007 will be issued automatically based on Office of State Revenue (OSR) records. As a result, landowners are *not* required to lodge a return or joint return with the Commissioner in respect of land owned at midnight on 30 June 2007. Landowners may be entitled to claim an exemption or deduction. Details of the landholdings on which an assessment is based and any exemptions and deductions granted will appear on the assessment notice. However, landowners have an obligation to inform OSR of any inaccuracies in their landholdings and when they receive an exemption or deduction to which they are not entitled. Failure to notify OSR may incur a penalty. Further information about exemptions and deductions is available in the Land Tax section of the OSR website at www.osr.qld.gov.au.

Landowners who consider that they may be liable to pay land tax and do not receive an assessment by 30 June 2008 must provide details of their landholdings to OSR by 31 July 2008.

The liability of a landowner for land tax is determined by having regard to the relevant unimproved value of all freehold land owned by the landowner in Queensland. Landowners may be liable for land tax if the relevant unimproved value of all land owned is equal to or greater than:

- \$600,000 for natural persons (other than absentees);
- \$350,000 for companies, trustees, clubs, associations, societies, and absentees;
- \$600,000 for deceased estates under administration;
- \$350,000 for trustees of testamentary trusts;

The unimproved value of land will appear, in most cases, on 2007-08 Council rates notices or will be obtainable from the respective regional centres of the Department of Natural Resources and Water. Further information about land tax is available from the following OSR service centres:
