## QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

### CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

### MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

### HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at [www.jobs.qld.gov.au](http://www.jobs.qld.gov.au). The information kit will include:
  - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
  - a job information package, outlining the procedure for preparing and sending in your application, and
  - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
  - completed cover sheet (available on jobs online or in the kit mailed to you)
  - covering letter
  - resumé / curriculum vitae
  - names and contact details of (2) referees, and
  - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package.)

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

Regardless of any commitments to other employers, it is expected that a public service employee will be able to perform his/her job in the public service efficiently and effectively.

- 6.2 Chief executives are to have a departmental policy and process in place to articulate clearly when employees should notify their engagement or pending engagement in other employment. The departmental policy is to include a "statement of rationale" on why this notification is required.

  - d) result in or have the potential to result in the misuse of information, intellectual property, physical or other public resources.
- 6.6 Public service employees engaged or who are to be engaged in other employment within another public service department are to advise the chief executive of each department if the other employment is or could have the potential to be covered under the principles in section 6.5.
- 6.7 Should it become known that a public service employee is engaged in other employment and has failed to notify their chief executive in accordance with 6.5 above, the chief executive may direct the employee to declare details of the other employment.

#### **Employee's obligation following determination**

- 6.8 Should the chief executive determine that there -
- a) is, or could potentially be, a conflict of interest in relation to the duties and responsibilities of the employee's existing public service employment, or
  - b) is the potential for the other employment to impact adversely on the employee's ability to safely and effectively carry out their official duties in their existing public service employment, or
  - c) is the potential for the other employment to compromise the integrity of the employing agency or to reflect seriously and adversely on the public service, or

d) is the potential for the misuse of information, intellectual property, physical or other public resources,

the employee is required to resolve the concerns in favour of their existing department to the satisfaction of the chief executive within 14 calendar days.

6.9 Failure by the employee to resolve the concerns to the satisfaction of the chief executive within 14 calendar days could result in a breach of this Directive and/or the department's Code of Conduct.

6.10 Employees are to notify the chief executive of any new or actual change in the nature of any other employment in which they are engaged within 14 calendar days if that new or material change is covered by the principles under section 6.5.

##### 7.1 A chief executive:

- a) may decide to conduct a criminal history check on a recommended person proposed to be engaged to perform relevant duties in certain circumstances not already covered by other specific legislation dealing with criminal history; and
- b) must have regard to criminal history information about a person to ensure their suitability to perform relevant duties.

- 7.2 A decision by a chief executive that it is necessary to have regard to the criminal history of a recommended person must be based on the nature of the relevant duties to be performed. The following circumstances may also be considered:
- a) the perception of public and client confidence in the performance of relevant duties and in the department; and/or
  - b) the occupational values, code of behaviour and client service required by the performance of relevant duties.

#### **Role Descriptions**

- 7.3 The requirement for a criminal history check to be conducted on the recommended applicant must be stated in the role description along with information on the criminal history checking process.

#### **Non-Disclosure**

- 7.4 A person must not be asked to disclose personal criminal history information to a selection panel or other public service employee before or during an interview to decide the recommended person.

#### **Consent and Proof of Identity**

- 7.5
- a) A criminal history check may be conducted only on a recommended person with written consent through the Queensland Police Service. Consent should be given within seven calendar days of being requested to do so.
  - b) The consent form should contain the following:
    - i) person's full name and any previous names, date and place of birth;
    - ii) name of department;
    - iii) title of the job for which the criminal history check is required to be conducted;
    - iv) consent to conduct a national criminal history check including reference to any or all Australian police services;
    - v) provision of satisfactory proof of identity;
    - vi) acknowledgement that the Queensland Police Service will disclose to the specific department criminal history allowable through relevant Commonwealth, State or Territory laws or policies;
    - vii) signed and dated by person;
    - viii) signed and dated by authorised witness.
- 7.6
- a) If a recommended person gives written consent to a criminal history report being provided, the person must also provide the following to the department within seven calendar days of being requested to do so and before a request to the Queensland Police Service for a criminal history check can be made:
    - i) full name and previous name/s (if applicable); and
    - ii) date and place of birth; and
    - iii) satisfactory proof of identity.
  - b) Acceptable documents to support a person's identity include any of the following:

- i) Driver's licence; or
- ii) Current Australian or overseas passport; or
- iii) Birth certificate (extract will suffice). If a birth certificate is provided one of the following must also be provided:
- iv) Current credit card, or account card from a bank, building society or credit union; or
- v) Passbook from a bank, building society or credit union; or
- vi) Australian naturalisation or citizenship document or immigration papers issued by the Commonwealth Department of Immigration and Multicultural and Indigenous Affairs.

7.7 If the recommended person does not provide:

- written consent to obtain a criminal history report; or
- documents which support proof of identity,

within the required timeframe without reasonable explanation, the chief executive is not required to consider or further consider the person for engagement to perform relevant duties.

#### **Request to Queensland Police Service**

7.8 A request for a criminal history check to be conducted on a recommended person must be sent to the Manager, Police Information Centre, Queensland Police Service.

#### **Assessment of Suitability**

7.9 In making an assessment about the suitability of a person to perform particular duties in relation to the person's criminal history, the chief executive must have regard to the relevance of any offence to the nature of particular duties to be performed, and should have regard to;

- c) the seriousness and frequency of any relevant offence;
- d) the amount of time that has elapsed since any relevant offence happened;
- e) whether any relevant offence is still a crime; and
- f) any relevant work history of the person in the Queensland public service.

#### **Natural Justice**

7.10 The principles of natural justice must be followed before a chief executive makes an adverse decision on the basis of a criminal history report relating to engaging a person to perform relevant duties. The person must be given:

- a copy of the criminal history report; and
- a reasonable opportunity to make written representations as to why the person is suitable to perform the relevant duties.

### Changed Circumstances to Employee

- 7.11 a) A current employee can be asked by a chief executive to undergo a criminal history check because of changed circumstances to a job, department or across government, which warrants criminal history checking. These changed circumstances can include:
- redeployment, secondment, transfer and appointment to a position; or
  - work performance or interchange arrangements; or
  - starting training as an apprentice or trainee; or
  - incorporation of new tasks or responsibilities into a job.
- b) If, in the circumstances outlined above, a current employee is unable to be engaged to perform particular duties following an adverse decision by the chief executive in relation to a criminal history report about the employee, the employee is to be placed in another job.

### Appeals

- 7.12 A decision by a chief executive not to engage an employee to perform relevant duties in a department because of a criminal history report may be subject to an appeal by the employee. In this case, appeals
- a) can be lodged directly to the Public Service Commissioner for determination, as the matter is not required to be resolved within the department by the usual grievance procedures;
  - b) must be lodged within seven calendar days of an adverse decision by a chief executive;
  - c) will proceed to hearing as a Fair Treatment appeal without a preliminary conference.

### Documentation

- 7.13 Criminal history information must be managed in accordance with Information Standard No 42 – Information Privacy.
- 7.14 Criminal history documentation must be destroyed following assessment about a person's suitability to perform particular duties after appeal or judicial review timeframes have expired.

Criminal history documentation about a recommended person includes:

- the consent form;
- correspondence to and from the Queensland Police Service;
- correspondence to and from the person regarding the criminal history report; and
- the chief executive's reason for finding the person unsuitable to perform relevant duties as a result of a criminal history.
