**Queenslanders properly defending their legal rights and meeting their obligations**

**Queenslanders have equal access to legal materials**

Queenslanders and their legal representatives have equal access to legal information so they can properly defend their legal rights and meet their obligations

**Queensland Courts administering justice according to law**

**Queensland Courts have fast and convenient access to legal materials**

The provision of fast and convenient access to legal materials for the Queensland judiciary and legal profession allows Queensland Courts to administer justice expeditiously

**Law library services**

The Supreme Court of Queensland Library maintains a centralised collection of legal materials (hard copy and online) and provides research services

**Invest in frontline law library services**

The Supreme Court of Queensland Library is using surplus funds to cover the majority of its operating costs in 2014-15

2014-15 Consolidated Fund contribution to operating costs: \$0.290 million
