“**Easement Area**” means that portion of the Burdened Land over which the Easement is obtained.

“**Easement Holder**” means:

- 1.3 A reference in the Easement to a person includes a reference to a body corporate (including a local government) and every other kind of legal person.

- (b) inspect or survey the Easement Area, or any Infrastructure on it, from time to time;
- (c) undertake mowing, slashing and vegetation (including without limitation timber, trees and crops) control or removal in relation to the Easement Area from time to time as the Easement Holder considers necessary (having due regard to any applicable policies and planning scheme instruments, of the local government for the area in which the Burdened Land is located, about the protection of vegetation within riparian corridors adjacent to waterways);
- (d) break open the soil of the Easement Area (both on the surface and subsurface) for the purpose of doing or getting ready to do any of the other things that the Easement Holder can do under the Easement;
- (e) enter, exit and traverse by whatever means, and remain on (for so long as is necessary) the Easement Area for the purpose of doing or getting ready to do any of the things the Easement Holder can do under the Easement;
- (f) pull down or break open any fencing on the Easement Area in order to enter or exit it (but only after, except in the case of an emergency, giving reasonable prior notice to the Landowner if any livestock are contained within the fenced area);
- (g) take anything onto the Easement Area and use and operate what has been taken onto the Easement Area; and
- (h) do on the Easement Area anything which in the Easement Holder’s opinion is necessary or convenient for, or incidental to, exercising the Easement Holder’s rights under the Easement, including, as examples but without limitation:

- (1) stockpiling Infrastructure or items required for or relating to the installation, repair, maintenance, removal, replacement, cleaning, clearing, addition or alteration of Infrastructure;
- (2) stockpiling soil dug up on or from under the Easement Area; and
- (3) temporarily restricting access to the Easement Area or parts of it, by whatever means the Easement Holder thinks fit including fencing off the Easement Area or parts of it, and doing other things to provide for the security of Infrastructure or persons or livestock, items referred to in subparagraph (1) or soil referred to in subparagraph (2).

2.2 The Easement Holder shall have the right to authorise, permit or license other parties to use the Easement Area for all or any of the purposes as the Easement Holder may do so under the Easement, and otherwise to exercise the same rights and powers as the Easement Holder under the Easement subject to all the conditions and restrictions upon such rights as are set out in the Easement.

2.3 In exercising rights and powers under the Easement, the Easement Holder and/or persons authorised, permitted or licensed from time to time by the Easement Holder to use the Easement Area for the purposes of the Easement must:

Any action in rectifying such breach shall be taken without the Easement Holder incurring any liability to the Landowner.

### 3 RIGHTS AND OBLIGATIONS OF LANDOWNER

- (d) not plant trees on the Easement Area without the prior written consent of the Easement Holder;
- (e) not crop, dig or plough the Easement Area or cause the lighting of fires on or adjacent the Easement Area without the prior written consent of the Easement Holder;
- (f) exercise reasonable care to ensure that any Infrastructure on the Easement Area is not damaged;
- (g) not interfere with, damage or place at risk any Infrastructure on the Easement Area from time to time or interfere with anything that the Easement Holder is storing or has placed on the Easement Area from time to time (including plant and equipment, stockpiles of soil dug up from or from under the Easement Area or any other stockpiles) without the prior written consent of the Easement Holder;
- (h) not cause a nuisance that adversely affects the Easement Holder's rights and powers under the Easement or any Infrastructure on the Easement Area from time to time, but if any nuisance is caused, then promptly abate such nuisance;
- (i) use the Landowner's best endeavours to prevent anyone else doing any of the things that the Landowner is required not to do under the Easement and not allow

or authorise anyone else to do any of those things;

- (j) not interfere with or obstruct the Easement Holder in the exercise or enjoyment of its rights and powers under the Easement; and
- (k) not grant any rights to any person in relation to the Easement Area to the extent the granting of those other rights could or will conflict or interfere with the Infrastructure or the exercise of any of the Easement Holder's rights and powers under the Easement.

#### 4 OTHER MATTERS

##### 4.1 Ownership of Infrastructure

All Infrastructure and other things brought onto or installed on, in or through the Easement Area from time to time by the Easement Holder will, as between the Landowner and the Easement Holder, notwithstanding any affixation to the Easement Area, remain the property of the Easement Holder (unless otherwise assigned).

##### 4.2 Fences

If the Easement Holder pulls down or breaks open any fencing under the Easement:

##### 4.6 Further assurances

The Landowner will execute every deed, instrument, assurance or other document and do all such things as may be necessary to secure the rights of the Easement Holder conferred by the Easement as the Easement Holder may reasonably require, including (without limitation) obtaining the consent of any person necessary and producing the title document for the Easement Area and executing all documents necessary to give effect to any proposed assignment, transfer, encumbrance or other dealing by the Easement Holder in respect of the Easement Area.
