- This call for tenders, pursuant to section 136A(3) of the Act, is an invitation for tenders for an Exploration Permit (non-coal) ("EPM") for the tender area described in the Schedule to this Notice. The tender process includes a cash bid component.

Section 136E of the Act outlines the requirements for making a tender for an EPM. The initial term and work program period for an EPM granted in relation to the tender area is proposed to be five (5) years.

The granting of Preferred Tenderer status is subject to a competitive tendering process. Tenders will be assessed according to the following criteria:

- Adequacy of Proposals regarding managing relationships

In responding to each evaluation criteria explicitly stated in the Tender Document, tenderers are expected to address each criteria by submitting their best possible application including providing a program of works of a sufficiently high quality to distinguish them from competitors. To ensure a fair and equitable evaluation process, the State will employ reasoned judgement as to the relative merit and appropriateness of tenders.

The tenderer must state the cash bid price (inclusive of GST and exclusive of other fees and charges payable) ("Cash Bid") offered to be paid for the grant of the proposed EPM, in Australian dollars.

The Cash Bid tendered is separate and in addition to the statutory application fee payable at the time of bid lodgement in accordance with section 136E of the Act.

Further information relevant to the grant process, including requirements to make a valid tender application, the evaluation criteria, and potential land use constraints, can be obtained in the Tender Document.

- (within 40 business days from the date of notification of being the Preferred Tenderer), lodge a submission with the Native Title Services Unit of the DNRM to initiate the process; and
- (once the notification period ends), provide written updates of the negotiations progress to the satisfaction of the DNRM every three months until a section 31 agreement is lodged for the Minister's signature.

- a copy of any advertisements inviting native title parties to respond; and

If the Preferred Tenderer is unable to achieve progress within 18 months of being notified of its status as Preferred Tenderer in negotiating an ILUA, a RTN submission must be lodged with the DNRM.

##### *Preferred Tenderer must comply with requirements*

The failure of a Preferred Tenderer to comply with the requirements of the tender may, without limitation, result in the Minister revoking the tenderer's appointment, under section 136J(4)(b) of the Act, or refusing to grant the authority, pursuant to section 136K(1)(b) of the Act.
