Notes to the remuneration schedule

In its 2014 report the then Tribunal explained the rationale behind the adoption of a system of remuneration which comprised a base payment (of two thirds of the annual remuneration) and a monthly payment based upon attendance at, and participation in, the 12 mandated council meetings.

Note 1 The monetary amounts shown are the per annum figures to apply from 1 July 2022. If an elected representative only serves for part of a full financial year (that is, 1 July to 30 June) they are only entitled to a pro rata payment to reflect the portion of the year served.

Note 2 For councillors in category 1 councils, a base payment of \$36,794.67 is payable for the 12 months commencing on 1 July 2022. A meeting fee of \$1,533.11 per calendar month (or fortnightly equivalent) is payable for attendance at, and participation in, scheduled meetings of council subject to certification by the mayor and/or chief executive officer of the council. Mayors and deputy mayors in category 1 councils are to receive the full annual remuneration level shown.

4. **FENCING**

4.1 **Removal**

For the purpose of gaining access to the Easement Land, Unitywater may demolish or break open any fencing on or adjacent to the Easement Land. However, if livestock are contained within the fenced area, Unitywater must give reasonable notice to the Owner to enable the Owner to secure the livestock.

4.2 **Reinstatement**

Unitywater must either:

- (a) reinstate all fences (other than a fence erected in contravention of Clause 5) damaged by Unitywater in the exercise and performance of any of the rights and liberties granted to Unitywater under this Easement; or
- (b) if the fences are not reinstated, install a gate using materials and employing workmanship which is not less than the quality of the materials and workmanship in the existing fence. The gate installed pursuant to this subclause becomes the property of the owner of the fence in which the gate is installed and after installation shall be maintained by the owner.

5. **NO STRUCTURES ON THE EASEMENT LAND**

The Owner must not at any time without the express written permission of Unitywater (which must not be unreasonably withheld):

- (a) erect any buildings or structures (other than fences) upon the Easement Land or any part of it;

- (d) remove or stockpile or permit the removal or stockpiling of any soil, sand, gravel or other substance or material on the Easement Land or construct any roads, dam walls or other earthworks on the Easement Land which would in any way obstruct or interfere with the Relevant Works and/or the proper and effective use of the Relevant Works by Unitywater.

6. **DAMAGE TO STRUCTURES**

- (a) Unitywater acting reasonably at all times and complying with all relevant laws, will determine how and in what manner the rights granted to Unitywater under this Easement are exercised.
- (b) Unitywater must not wilfully damage or destroy any Matter to any extent greater than is reasonably

necessary in order to exercise its rights under this Easement but:

- (i) Unitywater is not otherwise responsible for any damage to or destruction of any Matter in the course of the exercise by Unitywater of its rights under this Easement; and
- (ii) subject to Clause 4, Unitywater is not under any obligation to reinstate or repair any Matter damaged or destroyed in consequence of the exercise by Unitywater of its rights under this Easement and its only obligation where such Matter has been so damaged or destroyed is to leave the Easement Land in as clean and tidy state as practicable having regard to the nature of the Matter which has been damaged or destroyed and the work which it has done; and
- (iii) Unitywater is not in any event responsible for any inconvenience or disturbance to the Owner or occupiers of the Easement Land arising out of the exercise by Unitywater of its rights under this Easement.

7. **REMOVAL OF UNAUTHORISED STRUCTURES**

If a Matter is erected, placed, found or installed upon the Easement Land in contravention of Clause 5, Unitywater may, in addition to any other remedies and after having first given the Owner reasonable notice of its intention to invoke this clause, enter upon the Easement Land and remove or demolish the Matter and, if it does so:

- (a) it may dispose of the Matter or any resultant demolition materials in such manner as it sees fit without being liable to account to the Owner therefore (except as provided in subclause (b) of this clause); and
- (b) it may recover, in any Court of competent jurisdiction, costs actually incurred by it in taking that action (including internal wage and salary costs) less any moneys actually received by it as a result of disposing of the Matter or any resultant demolition materials.

8. **PROTECTION OF RELEVANT WORKS**

The Owner will not do any act or make any omission which will jeopardise or prejudicially affect the safety or reliable working of any Relevant Works.

9. **RATES AND CHARGES**

The Owner is responsible for all local authority rates and assessments and lawful charges in relation to the Easement Land.

10. **FURTHER ASSURANCES**

The benefit and burden of this Easement shall pass with and bind the Easement Land so as to enure to and bind all persons deriving title thereto from and under the Owner and Unitywater respectively and the Owner, whenever required by Unitywater or the person or persons for the time being entitled to the benefit of this Easement, must do all such things and give all such assurances as are reasonably required for the proper and effective carrying into effect of the rights conferred under this Easement but not so as to render the Owner liable to be called upon to contribute towards the maintenance and upkeep of the Relevant Works.

11. **SPECIAL COVENANTS FOR STATE RESERVE LAND**

- (a) The following clauses are in addition to or replace where noted those set out above and will form part of the covenants of this Easement when any land is designated as a "Reserve" in accordance with the *Land Act 1994* (as amended from time to time).
- (b) In this clause:

“Minister” means the Minister administering the *Land Act 1994* (as amended from time to time); and “Trustee” means the relevant Trustee of the State Reserved Land.

(c) **Reinstatement of fencing**

Clause 4.2 of this Easement is deleted and replaced with the following:

Unitywater must either:

- (a) *Reinstate all fences damaged by it in the exercise of any of its rights granted herein; and*
- (b) *In lieu of reinstating any such fence, install a gate the quality and materials of workmanship of which must be not less than the quality and materials of workmanship of the existing fence.*

(d) **Removal of Unauthorised structures etc**

Clause 7 of this Easement is omitted and replaced with the following:

If anything is erected, placed, found or installed upon the Easement Land in contravention of Clause 5, Unitywater may, in addition to any other remedies, and having given the Owner reasonable notice of its intention to invoke this clause, enter Easement Land and remove or demolish the Matter. If it does so it may dispose of the Matter or any resultant demolition materials in such manner as it sees fit without being liable.

(e) **Removal of Trees**

Unitywater must not cut or remove timber or tress from the Easement Land without first giving reasonable notice to the Owner and obtaining all necessary permits. Such notice will not be required under this clause in the event that there is an actual or potential danger to persons or property or there is any interference or jeopardy to the supply of the Relevant Works.

(f) **Removal of Assets upon termination of easement**

Under the *Land Act 1994*, an easement over a reserve ends when the dedication of reserve is revoked unless a written approval is provided by the Minister that the easement may continue over unallocated State Land when the dedication of reserve is revoked.

Upon termination of the Easement, Unitywater

- (i.) must ensure that the Easement Land is left in a safe and stable condition to the satisfaction of the Minister; and
- (ii.) will unless directed by the Minister otherwise, at its own cost and expense, remove all of the Relevant Works from the Easement Land; and
- (iii.) will remove, at its own cost and expense, all of the Relevant Works from the Easement Land that may cause contamination or environmental harm to the Easement Land as defined by the *Environmental Protection Act 1994* or similar legislation.

(g) **Indemnity and Risk**

The following clauses will apply for the duration of the Easement and will continue to apply during the periods of rehabilitation and any removal of the Relevant Works under clause 11 (f):

(i.) **Indemnity**

- a. Unitywater indemnifies and agrees to keep indemnified the Minister, the State of Queensland, Trustee and

Owner (the “indemnified parties”) against all actions, suits, proceedings, claims, demands, costs, losses, damages and expenses (“Claims”) arising out of or in any way connected to or resulting from the granting of this Easement to Unitywater or which is connected to or resulting from Unitywater’s use and occupation of the Easement Land (all of which are referred to as “the indemnified acts or omissions”) save to the extent that the claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission or one of the indemnified parties does not negate the indemnity to any other indemnified parties.

- b. Unitywater hereby releases and discharges the indemnified parties from any Claim relating to the indemnified acts or omissions which may be made against the indemnified parties, save to the extent that the Claim arises as a result of any negligent act or omission of the indemnified parties, however, any negligent act or omission of one of the indemnified parties does not negate the release and discharge in favour of any of the other indemnified parties.

(ii.) **Public Risk**

- a. Unitywater must effect a public liability insurance policy with an insurer authorised under the *Insurance Act 1973* (Commonwealth) or, in any other case, to the satisfaction of the Minister naming Unitywater as the insured covering legal liability for any loss of, or damage to any property and for the injury (including death) to any person arising out of anything done or omitted on or about the easement land or any improvements thereon and against all claims, demands, proceedings, costs, charges and expenses whatsoever in respect thereof subject to the terms and conditions of the insurance policy.
- b. Such policy must:
 - (a) be for an amount not less than \$20,000,000.00 (Twenty Million dollars) in respect of all claims arising out of a single event or such higher amounts as the Minister may reasonably require; and
 - (b) be effected on a “claims occurring” basis so that any claim made by Unitywater under the policy after expiration of the period of policy cover but relating to an event occurring during the currency of the policy will be covered by the policy subject to the claim meeting the policy’s other terms and conditions; and
 - (c) be maintained at all times during the currency of the Easement,

and upon receipt of any Notice of Cancellation, Unitywater must immediately effect another public liability insurance policy in accordance with the provisions of this Clause 11(g) (ii.).
