

ADVICE

Issued by Mackay Maritime Region on 18 July 2025

Area: Central Queensland
Locality: St Bees Island, Cumberland Islands
Activity: Feral Animal Control

Mariners are advised that:

Queensland Parks and Wildlife Service (QPWS) will be conducting a feral animal control program on St Bees Island National Park from 0800 Friday 15 August 2025 to 1200 Saturday 06 September 2025. The feral animal control program will consist of live firing operations, involving ground shooting on Saint Bees Island.

A restricted area will be placed around the Island, extending seaward of the high-water mark by 200 metres.

All vessels are to remain clear of restricted area during the above dates and all mariners should navigate the area with caution.

Latitude and longitude positions are on WGS84 horizontal datum and are compatible with GDA2020 datum.
