QTranscripts now LIVE - Stage 3 locations

QTranscripts is DJAG's new, web-based platform replacing the myAuscript portal.

What does this mean? From 10 October 2022, if you need to order audio or a transcript from any Queensland court or tribunal, **you will now need order via the new [QTranscripts portal](#)**.

You can request, track, receive orders via QTranscripts. You can also correspond with Recording and Transcription Services regarding your order in QTranscripts too.

Upon logging in you will be able to access the [QTranscripts Support Library](#) which hosts Articles and FAQs to assist you on how to perform tasks within QTranscripts.
