Integrated Planning Act 1997

TOWNSVILLE CITY COUNCIL ADOPTION OF AN AMENDMENT TO THE PLANNING SCHEME FOR THE CITY OF TOWNSVILLE

Notice is given under the *Integrated Planning Act 1997*, Schedule 1, that Townsville City Council adopted two (2) amendments to the planning scheme for the City of Townsville. The amendments are as follows:

Consistent/Inconsistent Uses

Townsville City Council adopted this amendment on 28 October 2008. The purpose and general effect of this amendment is to remove the conflict between the levels of assessment in the tables of assessment and inconsistent uses lists in the District Codes. This should remove the ambiguity that currently exists in the levels of assessment for various uses, and aid in the interpretation of City Plan 2005.

The reference number for this amendment is: 2008, no. 18.

All District Codes, Section 1

Townsville City Council adopted this amendment on 28 October 2008. The purpose and general effect of this amendment is to modify the 'other development' tables of assessment for all District Codes to ensure the relevant precinct intent in the relevant district codes are considered in the assessment of reconfiguring of a lot applications.

The reference number for this amendment is: 2008, no. 19.

A copy of the planning scheme amendments is available for inspection and purchase at Townsville City Council's Planning and Economic Development Counter, 2nd floor, Administration Building, 103 Walker Street, Townsville, and at the Customer Service Centre, 86 Thuringowa Drive, Thuringowa Central.

A copy of the planning scheme amendments is also available for inspection at the Department of Infrastructure and Planning, 4th floor, State Government Building, 187 Stanley Street, Townsville.

QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered deployees who apply for an advertised job will be considered before other applicants. The symbol (g) appears next to vacancies where an exemption from this requirement applies. Deployees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

The Eastern Pipeline Alliance (part of the Western Corridor Recycled Water Project) has three used tunnel boring machines for sale and is seeking Expressions of Interest to tender for the sales packages.

The Western Corridor Recycled Water (WCRW) Project is a major Queensland Government project to ease pressure on South East Queensland's drinking water supplies. It involves constructing a network of about 200km of underground pipelines to link six existing wastewater treatment plants to three new advanced water treatment plants, and piping purified recycled water to power stations, industry, agricultural customers and (after meeting strict water quality and health standards) drinking water supplies.

The Alliance microtunnelling scope of works involved building 47 land bores ranging in length from 30 metres to 330 metres, using three tunnel boring machines.

Expressions of Interest are now invited for the following three tunnel boring machines and associated equipment packages.

**Sales Package 1001
Herrenknecht AVN 1600D Slurry Microtunnelling System**

**Sales Package 1002
Herrenknecht 1500 EPB Microtunnelling System**
Machine was refurbished by the manufacturer and since refurbishment has completed 2620m of tunnelling.

**Sales Package 1003
Akkerman 58 inch (1470 mm) pipe jacking tunnel system excavation machine**
Machine was refurbished by the manufacturer and since refurbishment has completed 1150m of tunnelling.

Prospective buyers throughout Australia and overseas are being approached and informed of the availability of these machines.

Further information and inspection of the sales packages at our Brisbane site office can be arranged by contacting our Contracts Manager.

SCHEDULE A

LEAVE AND TRAVEL CONCESSIONS

GENERAL CONDITIONS

- 1. Eligibility**
- 1.1 These leave and travel concessions apply to public service officers (**referred to as "officers" in this directive**) who work at eligible isolated centres (as outlined at Schedule D in this directive). Provided that Schedule C does not have application to those teachers engaged by the Department of Education, Training and the Arts who receive entitlements in accordance with the Department of Education, Training and the Arts Remote Area Incentives Scheme.
- 1.2 The chief executive may grant the concessions at any time during each year of service (i.e. during the year of accrual) at the isolated centre. This discretion is exercised by taking into account the particular circumstances of each case and the length of time the officer has spent at the isolated centre.
- 2.3 Only the first three (3) months of any continuous unpaid leave period shall be recognised as service for purposes of accrual of leave and travel concessions. Where continuous unpaid leave periods exceed three (3) months, the officer's anniversary date for accrual of leave and travel concessions shall be adjusted accordingly.
- 3. Definitions**
- 3.1 "dependant children" or "dependant child" has the same meaning as that prescribed in the Ministerial Directive on Locality Allowances and shall only apply to those dependant children aged under 21 years of age residing with the officer for at least 50% of the year, excluding that time spent in attendance at boarding school or another educational institution.
- 3.2 "spouse" means a spouse residing with the officer, and does not include a former spouse.
- 2. Entitlement**
- 2.1 The concessional arrangements described in this directive are available to officers every twelve months on the anniversary of the officer's date of commencement at the isolated centre and must be taken within twelve (12) months following year of accrual.

SCHEDULE B

LEAVE CONCESSIONS

4. Category	
4.1 The conditions in this Schedule apply to officers of the public service including the teaching service.	6.2 Such leave may be taken either separately from or conjointly with recreation leave or long service leave and is subject to conditions as determined by the chief executive. Provided that the leave must be taken within twelve (12) months following the year of accrual.
5. Concessions	
5.1 The additional leave concession is five working days each year, non-cumulative.	6.3 In the case of teachers this concession is not to be taken conjointly with vacation periods.
6. Entitlement	
6.1 Leave may be granted to transact business, receive dental treatment, attend specialist appointments and undertake other personal matters that cannot be attended to in the centre.	6.4 The additional leave concession prescribed in this Schedule applies to part-time officers on a <i>pro rata</i> basis.

SCHEDULE C

TRAVEL CONCESSIONS

7. Entitlement	
7.1 Officers employed under section 119 of the <i>Public Service Act 2008</i> , the spouse, and any dependant children of the officer are eligible for travel concessions in accordance with this Schedule. Provided that this Schedule does not have application to those teachers engaged by the Department of Education, Training and the Arts who receive entitlements in accordance with the Department of Education, Training and the Arts Remote Area Incentives Scheme.	8.6 In lieu of travel to the selected destination at the same time the officer and/or the officer's family undertakes the concessional travel, a dependant child not residing at the isolated centre, may be allowed concessional travel from the boarding school or educational institution to the officer's centre of appointment.
7.2 The eligibility of the officer's child or children to travel concessions in accordance with this Schedule shall be based on "dependency", including age, existing as at the time of proposed travel.	8.7 Where appropriate air services are not available from the centre of appointment, a motor vehicle allowance, similar to that payable to officers on transfer, is payable for the distance travelled for the forward and return journeys from the centre of appointment to the nearest air terminal.
8. Air Fares	
8.1 One return air fare each year from the centre of appointment to the designated major coastal centre (see Schedule D for eligible centres). This is non-cumulative.	8.8 Part-time officers, together with the spouse and any dependant children, are eligible for travel concessions on a pro rata basis. Such travel concessions shall be provided through a cash payment to the officer. Such cash payment shall be calculated on a pro rata basis (eg. a part-time officer at .5 FTE would receive cash payment equivalent to half the cost of the full airfare – including GST) and be subject to the provision of satisfactory documentary evidence (e.g. copy of air tickets or other airline confirmation documentation) as proof of purchase of the air ticket/s. Where an officer chooses to cash in any entitlement before any travel is undertaken, the cashing in provisions contained in this Schedule shall apply on a pro rata basis.
8.2 In addition one return air fare each year from the centre of appointment to Brisbane or equivalent fares to any other centre within the state. This is non cumulative.	
8.3 Where the officer and spouse are both employed in eligible centres, as provided for in these arrangements, only one set of travel arrangements apply.	
8.4 There is no requirement for any member of the officer's family to utilise the concessional travel at the same time as the officer.	
8.5 Any dependant child not residing at the isolated centre and attending boarding school or another educational institution is to be allowed concessional travel from the boarding school or educational institution to the selected destination and return provided that –	
<ul style="list-style-type: none"> • the travel is taken at the same time the officer and/or the officer's family undertakes the concessional travel; and • the cost does not exceed the travel costs that would have been incurred had the child been resident at the isolated centre. 	9. Private Motor Vehicle 9.1 Where an officer, spouse or dependant child chooses to use a private motor vehicle instead of air travel the officer, spouse or dependant child is entitled to – <ul style="list-style-type: none"> • A motor vehicle allowance; and • Overnight accommodation and meals, for the distance travelled from the centre of appointment to the applicable destinations and return. This is on the same basis as that applicable to officers on transfer using their private motor vehicle (Ministerial Directive: <i>Transfer and Appointment Expenses</i>) subject to the total cost not exceeding the costs of air fares (excluding GST).

- 9.2 The air fares allowable in terms of this approval and all payments relating to them is to be based on any GST-exclusive special rate negotiated by the department with an approved carrier and should not exceed economy air fare rates (excluding GST) where applicable.
- 10. Alternative transport**
- 10.1 The chief executive may approve travel expenses for an officer, spouse or dependant child where the officer, spouse or dependant child wants to use other forms of transport instead of air travel or private motor vehicle. Approval is based on actual travel expenses incurred from the centre of appointment to the applicable destination and return provided that the cost (excluding GST) does not exceed the cost of air fares (excluding GST), and subject to the production of GST compliant invoices/receipts.
- 10.2 The air fares allowable in terms of this approval and all payments relating to them is to be based on any GST-exclusive special rate negotiated by the department with an approved carrier and should not exceed economy air fare rates (exclusive of GST) where applicable.
- 11. Cash payment instead of travel**
- 11.1 Where an officer applies to cash in an entitlement to return air fares before any travel is undertaken, the air fare entitlement for the officer only may be cashed in. The chief executive may approve payment in lieu of travelling expenses not exceeding the cost of air fares.
- 11.2 The air fares allowable in terms of this approval and all payments relating to them is to be based on any GST-exclusive special rate negotiated by the department with an approved carrier and should not exceed economy air fare rates (excluding GST) where applicable.
- 11.3 The payment of cash in lieu of air fare concessions (officer only) does not preclude other members of the officer's family possibly being eligible for concessions.
- 11.4 Applications for the cashing in of travel concessions are subject to such conditions as the chief executive determines. This may include constraints such as the timing and form of the application.
- 11.5 Where a part-time officer chooses to cash in any entitlement before any travel is undertaken, the cashing in provisions contained in this Schedule shall apply on a pro rata basis (e.g. a part time officer at .5 FTE would receive cash payment equivalent to half the cost of the officer only GST-exclusive special rate airfare).
- 12 Transfer of travel concessions**
- 12.1 Where the officer wants to transport close family members to the centre of appointment instead of outward travel, the chief executive may permit the transfer of travel concessions applicable to the officer and the officer's spouse only.
- 12.2 The application of provisions relating to visits by close family members is to be administered by chief executives with discretion to meet particular circumstances. Close family members generally refer to parents, children, brothers and sisters.
