

# **Infrastructure WHS Management Plan**

## **Bowen Campus**

Part Two – Campus Specific

June 2025

**Queensland**  
Government

## **INTRODUCTION**

### **Context**

Refer to DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part One - General (TAFE Queensland WHS Plan Part One), available from TAFE Queensland facilities representative, for background and context to this DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part Two - Campus Specific (TAFE Queensland WHS Plan Part Two).

### **Purpose**

This TAFE Queensland WHS Plan Part Two for Bowen Campus has been developed to supplement the TAFE Queensland WHS Plan Part One, by providing additional information regarding hazards known to DTET, that may be present at Bowen Campus; facilitating a consistent approach to the provision of WHS information to stakeholders on the Campus. This plan also summarises Campus contact details, layout, access points, general WHS information, and evacuation signage details.

**IMPORTANT:** Read this TAFE Queensland WHS Management Plan Part Two in conjunction with the TAFE Queensland WHS Management Plan Part One available from TAFE Queensland facilities representative that contains information in relation to WHS requirements and general hazards that may be present at all Campuses.

A copy of this Plan will be available at the Bowen Campus TAFE Queensland facilities representative.

### **Terms and Definitions**

Terms and definitions used in this TAFE Queensland WHS Plan Part Two are defined in TAFE Queensland WHS Plan Part One and apply to both WHS Plans.

## CAMPUS AND EMERGENCY CONTACT DETAILS

### TAFE Queensland facilities office details

Location on Campus	A Block, 98-158 Queens Road, Bowen, QLD 4805
Telephone	(07) 4720 4433
Office Hours	8:30am-4:30pm

### Normal teaching hours

Monday – Friday:	8:30 <sup>am</sup> – 4:30 <sup>pm</sup>
Saturday:	Closed
Sunday/Public Holidays:	Closed

### Key contact details

Facilities Representative	Dean Janetski	0428 512 129
Security Contact	State-wide Monitoring	(07) 3848 1888
DHPW Contact	MRC	(07) 4862 7557

### Emergency Phone Numbers

**000**

Police Station:	Bowen Police Station	(07) 4720 4555
Hospital:	Bowen Hospital	(07) 4786 8222

## **CAMPUS WHS INDUCTION**

### **DHPW and TAFE Queensland Contractors Workers**

Prior to commencing work on Bowen Campus, all DHPW and TAFE Queensland Contractors must go to the TAFE Queensland facilities representative office for information regarding Campus WHS induction arrangements.

**Note:** Workers accessing Operational Areas of the Campus accompanied by a TAFE Queensland authorised person familiar with the known hazards in the areas visited, are not required to undergo a WHS induction, as they are treated as Visitors. Such Workers would generally not complete trade type work; however, in emergencies it may be appropriate for these persons to undertake emergency work, once they have been made aware of known hazards.

### **Third Party Lessees (TPL) Workers'**

Third Party Lessees Workers are not required to complete a Campus WHS induction when working within a Site. TPLs are responsible for providing the appropriate WHS induction for their Site. Prior to working outside their Sites, TPLs must ensure their Workers obtain permission from TAFE Queensland and have any required access passes, work permits, safe work method statements and comply with any induction and security requirements.

### **Visitors**

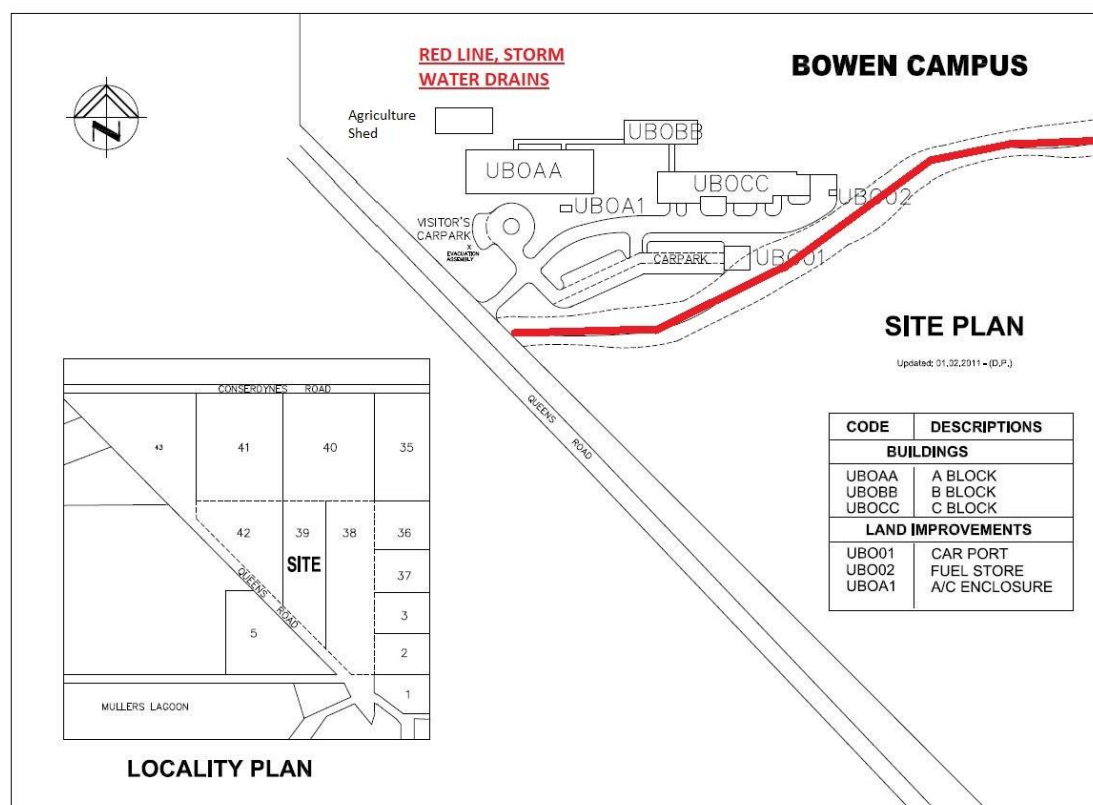

Visitors must contact TAFE Queensland prior to accessing Operational Areas of the Campus and be escorted by a TAFE Queensland authorised person.

## CAMPUS INFORMATION

***For the health and wellbeing of our employees, students and visitors, all TAFE Queensland campuses are smoke free.***

Our Bowen campus features a range of purpose-built facilities including a construction workshop, metal fabrication facilities, and specialised automotive, diesel fitting, and fitting and machining workshops. The campus offers a wide range of study areas including aged care, automotive, childcare, engineering, health, and skills for work and vocational pathways.

### Campus Layout / Access Points

The above Campus plan is an overview only. Contact the Campus TAFE Queensland facilities representative for further detailed plans as required.

### After hours works

To arrange access for afterhours works, contact Site Services Coordinator on 07 505 356.

**A notification period of 48 hours is required.**

Working on the Campus after hours may require the provision of a TAFE Queensland appointed security guard to control and monitor any security systems (alarms, etc.) and provide access to restricted areas. Contact the Campus TAFE Queensland facilities representative to discuss any costs and other matters associated with afterhours work.

## DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part Two – Specific to Bowen Campus

### Extended teaching hours

The following areas of the Campus may have extended teaching, requiring further restrictions on noisy or dusty working hours:

Area	Teaching Hours
N/A	

### Loading docks/deliveries

Consult with the TAFE Queensland facilities representative to verify appropriate delivery locations, operating hours and restrictions, and conditions of using loading docks.

Identify and use only the loading docks that are authorised for use. Loading docks are only to be used for the intended purpose. No goods, materials, or equipment can be stored or left in the loading dock or the corridors servicing the dock areas without express consent of TAFE Queensland facilities representative.

PCBU's should ensure their Workers are aware of the risks associated with loading dock areas and are instructed in the PCBU's work practices (including observing all signage and instructions) regarding such practices.

Below are the locations of the Campus docks together with logistical information.

#### **Please note: No forklift on site**

Dock	Max Height	Max Weight	Operating Hours
N/A			

Parking of any vehicle in loading docks is prohibited unless prior authorisation is obtained from TAFE Queensland unless being loaded / unloaded.

### Lifts

Only designated goods lifts are to be used to transport materials and/or deliveries through the Campus. Passenger lifts are not to be used at any time to transport materials and/or deliveries through the Campus without prior authorisation from TAFE Queensland facilities representative. All lifts are to be used within their designated Safe Working Load (SWL).

#### **Lift types and locations:**

Location	Levels Serviced	Lift Type	Size	Capacity
A Block	Level G, 1	Passenger	W 1.27mXL1.37mXH 2.2m .9X2.1m door opening	612kg

## **DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part Two – Specific to Bowen Campus**

### **Parking**

Only park trade vehicles in areas authorised by TAFE Queensland facilities representative. Under no circumstances are trade vehicles to be parked in disabled parking zones or other restricted parking areas.

Parking for trade vehicles is available only in the designated carparks.

### **Accessing of Operational Areas and other restricted areas**

Prior to accessing any Operational Area or other restricted areas contact Facilities Site Services Coordinator Ph No 0437 835 299 to arrange authorisation and access. Obey all signage regarding access and PPE required in regard to the specific areas.

## CAMPUS SPECIFIC HAZARDS

Campus specific hazards known to DTET include:

### Brittle Roofing

The following areas have brittle roofing. Prior to accessing any brittle roof area, a risk assessment and safe work method statement must be undertaken/completed, and control measures implemented. A safe system of work must be devised for all works in and around the brittle roof area/s, including obtaining and completing any safe work permit that may be applicable, observing any additional matters of note on the permit, and complying with the safeguards on the reverse of the permit.

Location	Description	Notes
N/A		

### Non-Trafficable Roofing

The following areas have been identified as non-trafficable (roofing materials that are not designed to be walked on or subjected to any kind of foot traffic). People should not walk or stand on these roofing materials, as they may not be able to withstand the weight and pressure and could become damaged or collapse.

Location	Description	Notes
N/A		

### Electricity

Due to the age of some areas of the Campus, Residual Current Detection (RCD) protection may not be fitted to all Campus mains power.

PCBU's must ensure that RCD protection is provided to their Workers if utilising Campus mains power. Contact the TAFE Queensland facilities representative if further detail is required.

**Photovoltaic panels are located on A Block roof.**

### Confined Spaces

Confined spaces have been identified on campus. Prior to entry into any identified confined space, persons are required to have a safe system of work in place, including a confined space permit, and all conditions attached to that safe system of work must be complied with.

Please refer to Confined Space Assessment report for details and locations of identified confined spaces on campus. Please see TAFE Queensland Facilities representative for details or contact DTET on [trainingassets@desbt.qld.gov.au](mailto:trainingassets@desbt.qld.gov.au) for a copy.

### Roof top antenna Electro Magnetic Energy (EME)

N/A

## **Mechanized Waste Equipment**

N/A

## **Cooking oil waste points**

N/A

## **Window Cleaning Gantries**

N/A

## **Construction site areas**

The Campus is not currently undergoing any redevelopment works, if/ when construction works do take place, do not enter Construction Work areas unless authorised by the Principal Contractor. Workers must report to the building site supervisor prior to entering such areas.

## **Hazardous substances**

The WHS Law, covers workplace hazardous substances and dangerous goods under a single framework for hazardous chemicals. Refer to Campus Hazardous Substances register for a complete list of known hazardous chemicals and their locations.

Contact TAFE Queensland facilities representative to obtain a copy of the Campus Hazardous Substances register.

## **Large Trees**

The campus contains a number of large trees, which may present the risk of falling over or losing a limb. Consult TAFE Queensland facilities representative for details.

## **Combustible Cladding**

N/A

## **Bush Fire Zone**

N/A.

## **Snakes/Seasonal Wildlife**

Due to the bushland environment of this Campus, snakes are a potential hazard.

## **Other Campus specific hazards**

### **Gro Pod E Block**

The Gro-Pod in E block introduces CO<sub>2</sub> in an enclosed space. CO<sub>2</sub> monitors are installed. Contractors should familiarise themselves with the area and ensure their workers consider the associated risks when developing their safe systems of work.

Consult TAFE Queensland facilities representative for details.

## SITE EVACUATION PROCEDURE

# EVACUATION MAP

Bowen Campus - 98-158 Queens Road, Bowen QLD 4805

Assembly Area

Imagery © 2024 Aerometrex

### IN THE EVENT OF FIRE

- R**emove persons from immediate danger area.
- A**lert nearby staff and members of the public and call 000 (operate Manual Call Point if applicable).
- C**onfine fire and smoke. Close windows and doors (if safe). Keep low, under the smoke.
- E**xtinguish and control the fire (if safe to do so).

Issue Date: 07/2024

### EVACUATION PROCEDURES

- Follow all instructions given by Wardens or Fire Officers.
- Leave immediately by the nearest safe exit.
- Move quickly, do not run.
- If possible, close doors behind you.
- Report to your designated Assembly Area.
- Advise a Warden immediately if you are aware of people trapped in the building.
- Do not leave the Assembly Area until the Chief Warden gives the "All-Clear".
- If any injuries are sustained, notify a Warden.
