Infrastructure WHS Management Plan Loganlea Campus

Part Two – Campus Specific June 2025

INTRODUCTION

Context

Refer to DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part One - General (TAFE Queensland WHS Plan Part One), available from TAFE Queensland facilities representative, for background and context to this DTET Infrastructure Work Health Safety Management Plan for TAFE Queensland Campuses: Part Two - Campus Specific (TAFE Queensland WHS Plan Part Two).

Purpose

This TAFE Queensland WHS Plan Part Two for Logan Campus has been developed to supplement the TAFE Queensland WHS Plan Part One, by providing additional information regarding hazards known to DTET, that may be present at Logan Campus; facilitating a consistent approach to the provision of WHS information to stakeholders on the Campus. This plan also summarises Campus contact details, layout, access points, general WHS information, and evacuation signage details.

IMPORTANT: Read this TAFE Queensland WHS Management Plan Part Two in conjunction with the TAFE Queensland WHS Management Plan Part One available from TAFE Queensland facilities representative that contains information in relation to WHS requirements and general hazards that may be present at all Campuses.

A copy of this Plan will be available at the Logan Campus TAFE Queensland facilities representative.

Terms and Definitions

Terms and definitions used in this TAFE Queensland WHS Plan Part Two are defined in TAFE Queensland WHS Plan Part One and apply to both WHS Plans.

CAMPUS AND EMERGENCY CONTACT DETAILS

TAFE Queensland facilities office details

Location on Campus B3

Telephone 13 72 48

Office Hours 8.30am to 5pm

Normal teaching hours Monday &Thursday: 7:30am – 8:00pm

Monday & Wednesday 7.30am - 9pm

Friday: $7:30^{am} - 7:00^{pm}$

Saturday: 8:30^{am} – 3:30^{pm}

Sunday/Public Holidays: Closed

CAMPUS WHS INDUCTION

DHPW and TAFE Queensland Contractors Workers

Prior to commencing work on Logan Campus, all DHPW and TAFE Queensland Contractors must go to the TAFE Queensland facilities representative office for information regarding Campus WHS induction arrangements.

Note: Workers accessing Operational Areas of the Campus accompanied by a TAFE Queensland authorised person familiar with the known hazards in the areas visited, are not required to undergo a WHS induction, as they are treated as Visitors. Such Workers would generally not complete trade type work; however, in emergencies it may be appropriate for these persons to undertake emergency work, once they have been made aware of known hazards.

Third Party Lessees (TPL) Workers'

Third Party Lessees Workers are not required to complete a Campus WHS induction when working within a Site. TPLs are responsible for providing the appropriate WHS induction for their Site. Prior to working outside their Sites, TPLs must ensure their Workers obtain permission from TAFE Queensland and have any required access passes, work permits, safe work method statements and comply with any induction and security requirements.

Visitors

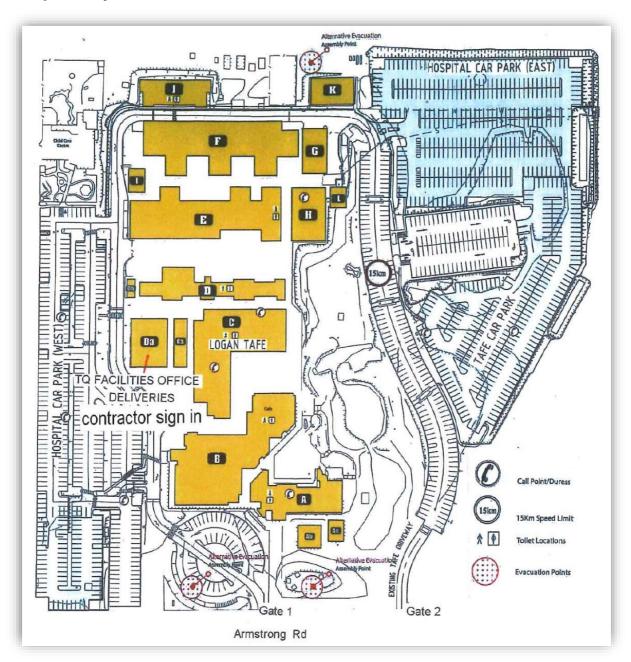

Visitors must contact TAFE Queensland prior to accessing Operational Areas of the Campus and be escorted by a TAFE Queensland authorised person.

CAMPUS INFORMATION

For the health and wellbeing of our employees, students and visitors, all TAFE Queensland campuses are smoke free

Located on Brisbane's south side only 40 mins from the city, our Loganlea campus offers a huge range of study options for students in Brisbane's outer suburbs. Set amidst lush, green surrounds and featuring a scenic pond and garden area, the campus is the perfect place to study without the need to travel to the city.

Campus Layout / Access Points

The above Campus plan is an overview only. Contact the Campus TAFE Queensland facilities representative for further detailed plans as required.

After hours works

To arrange access for afterhours works, contact Tony Sidin Ph No 0421 614 577.

A notification period of 24 hours is required.

Working on the Campus after hours may require the provision of a TAFE Queensland appointed security guard to control and monitor any security systems (alarms, etc.) and provide access to restricted areas. Contact the Campus TAFE Queensland facilities representative to discuss any costs and other matters associated with afterhours work.

Extended teaching hours

The following areas of the Campus may have extended teaching, requiring further restrictions on noisy or dusty working hours:

Area	Teaching Hours
C Block	3:45 ^{pm} – 9:00 ^{pm}

Loading docks/deliveries

Consult with the TAFE Queensland facilities representative to verify appropriate delivery locations, operating hours and restrictions, and conditions of using loading docks.

Identify and use only the loading docks that are authorised for use. Loading docks are only to be used for the intended purpose. No goods, materials, or equipment can be stored or left in the loading dock or the corridors servicing the dock areas without express consent of TAFE Queensland facilities representative.

PCBU's should ensure their Workers are aware of the risks associated with loading dock areas and are instructed in the PCBU's work practices (including observing all signage and instructions) regarding such practices.

Below are the locations of the Campus docks together with logistical information:

Dock	Max Height	Max Weight	Operating Hours
Da Block Main Store	4.4m	Unlimited	6:00 ^{am} – 2:30 ^{pm}

Parking of any vehicle in loading docks is prohibited unless prior authorisation is obtained from TAFE Queensland unless being loaded / unloaded.

Lifts

Only designated goods lifts are to be used to transport materials and/or deliveries through the Campus. Passenger lifts are not to be used at any time to transport materials and/or deliveries through the Campus without prior authorisation from TAFE Queensland facilities representative. All lifts are to be used within their designated Safe Working Load (SWL).

Lift types and locations:

Location	Levels Serviced	Lift Type	Size	Capacity
A Block	4	Passenger or Goods	1450KG	19 persons
A Block	4	Passenger or Goods	1450KG	19 Persons
C Block	2	Passenger or Goods	816 KG	12 Persons

Parking

Only park trade vehicles in areas authorised by TAFE Queensland facilities representative. Under no circumstances are trade vehicles to be parked in disabled parking zones or other restricted parking areas.

Parking for trade vehicles is available in the following locations.

• Out the front of Da Block Main Store.

Accessing of Operational Areas and other restricted areas

Prior to accessing any Operational Area or other restricted areas contact Tony Sidin Ph 0421 614 577 to arrange authorisation and access. Obey all signage regarding access and PPE required in regard to the specific areas.

CAMPUS SPECIFIC HAZARDS

Campus specific hazards, known to DTET include:

Brittle Roofing

The following areas have brittle roofing. Prior to accessing any brittle roof area, a risk assessment and safe work method statement must be undertaken/completed, and control measures implemented.

A safe system of work must be devised for all works in and around the brittle roof area/s, including obtaining and completing any safe work permit that may be applicable, observing any additional matters of note on the permit, and complying with the safeguards on the reverse of the permit.

Location	Description	Notes
Roof zone C Awning area	Polymer sheeting	

Non-Trafficable Roofing

The following areas have been identified as non-trafficable (roofing materials that are not designed to be walked on or subjected to any kind of foot traffic). People should not walk or stand on these roofing materials, as they may not be able to withstand the weight and pressure and could become damaged or collapse.

Location	Description	Notes
Roof zone C Awning area	Polymer Sheeting	
DA Main Store	Polymer Sheeting	
Common covered area between A & B Block's	Skylight Roof Panels	

Electricity

Due to the age of some areas of the Campus, Residual Current Detection (RCD) protection may not be fitted to all Campus mains power.

PCBU's must ensure that RCD protection is provided to their Workers if utilising Campus mains power. Contact the TAFE Queensland facilities representative if further detail is required.

Confined Spaces

Confined spaces have been identified on campus. Prior to entry into any identified confined space, persons are required to have a safe system of work in place, including a confined space permit, and all conditions attached to that safe system of work must be complied with.

Please refer to Confined Space Assessment report for details and locations of identified confined spaces on campus. Please see TAFE Queensland Facilities representative for details or contact DTET on trainingassets@desbt.gld.gov.au for a copy.

Roof top antenna Electro Magnetic Energy (EME)

N/A

Mechanized Waste Equipment

N/A

Cooking oil waste points

Cooking oil waste points are located at the back on B Block. Use caution in this area due to potential of waste oil and fat on the floor and avoid spills. Clean-up any spills that occur and do not leave discarded oil containers in the area.

Window Cleaning Gantries

N/A

Construction site areas

F Block is Currently undergoing redevelopment of Dentistry skills labs by Xenia between October 2024 to June 2025

Do not enter Construction Work areas unless authorised by the Principal Contractor. Workers must report to the building site supervisor prior to entering such areas.

Hazardous substances

The WHS Law, covers workplace hazardous substances and dangerous goods under a single framework for hazardous chemicals. Refer to Campus Hazardous Substances register for a complete list of known hazardous chemicals and their locations.

Contact TAFE Queensland facilities representative to obtain a copy of the Campus Hazardous Substances register.

Large Trees

The campus contains a number of large trees, which may present the risk of falling over or losing a limb. Consult TAFE Queensland facilities representative for details.

Combustible Cladding

N/A

Bush Fire Zone

N/A

Snakes/Seasonal Wildlife

Due to the environment of this Campus, snakes are a potential hazard.

Other Campus specific hazards

High Traffic Area

High volume of Traffic, Tafe, Leased Carparks MSH & Childcare drop offs – Approximately 700 Vehicles a day Through Entry Gates 1 & 2. Traffic management plans must be used if working in these areas.

Contractors should ensure their workers are aware of this hazard and consider when devising their own safe systems of work.

Fuel Storage

Fuel storage L Block and gas bottles at the back of B Block. No naked flame to be used in these areas.

C Block Air Conditioner Access

C Block railing is not fully enclosed for air conditioner access.

Contractors should ensure their workers are aware of this hazard and consider when devising their own safe systems of work.

SITE EVACUATION PROCEDURE

June 2025

DOCUMENT CONTROL

This TAFE Queensland WHS Plan Part Two will be reviewed quarterly by the DTET Manager Infrastructure WHS in consultation with relevant TAFE Queensland staff, and in addition to scheduled quarterly updates, updated whenever there are material changes to the Campus workplace that Workers need to be made aware of. Forward any suggestions for inclusion or revision to the Campus TAFE Queensland facilities representative.

Revisions to this plan are summarised in the table below. A copy of all previous revisions must be marked as superseded and archived.

Date	Revisio n	Section	Page	Revision Details
April 2021	А	All	All	Initial draft document
Mar 2022	В	Asbestos All	8 All	Revisions required by DESBT and TAFE Queensland following initial Pilot rollout.
July 2022	С	All	All	Revisions following Pilot rollout and transfer to new DESBT template.
Aug 2022	D	All	All	Revisions required by DEPW WHS
July 2023	E	All	All	Various and update to DYJESBT template
Sept 2023	F	All	All	Review and update by TAFEQ, DETET and Chapalex Advisory
Jan 2024	G	Campus Specific Hazards	10	Update Waste Equipment to Mechanised
		All	All	Update lift section to include reference to passenger lifts as required.
				Change DYJESBT to DESBT
March 2024	Н	Title	1	Date added
		Key Contact Details & DEPW and TAFE Queensland Contractors Workers	3,4	DEPW updated to DHLGPPW
June 2024	1	Lift types	7	Passenger lift details updated
		Non-Trafficable Roofing Construction Works, Confined Spaces	8	DA Main Store and Common Area added Gatic covers added as suspected confined spaces.
		Other Campus Specific Hazards	10	High Traffic Area and C Block Air Conditioner Access added
September 2024	J	Site Evacuation Procedure	11	Evacuation map updated
December 2024	К	All	All	DESBT updated to DTET, DHLGPPW updated to DHPW
March 2025	L	All	All	Update to DTET document template
		Confined Spaces	9	Confined space wording updated
June 2025	М	All	All	Reviewed and updated by TAFEQ and DTET
