The Owner may close the entrances and exits to the Building thereby restricting access by the Grantee, the Grantee's Invitees and the Grantee's Workmen to the Easement Land at times during which the Station is closed but not at any other time. The Grantee's determination as to when the Station is closed is conclusive and the Grantee may notify the Owner from time to time as to when the Station will be closed.

**7. Governing Law**

The laws of Queensland govern this Easement.

**8. Severability**

If a provision of this Easement is illegal or unenforceable it may be severed without affecting the enforceability of the other provisions of this Easement.

**9. GST****(a) Interpretation**

- (i) Except where the context suggests otherwise, terms used in this clause have the meanings given to those terms by the *A New Tax System (Goods and Services Tax) Act 1999* (as amended from time to time).
- (ii) Any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause.
- (iii) Any reference in this clause to GST payable by an entity includes any GST payable by the representative member of any GST group of which that entity is a member. Any reference in this clause to input tax credits to which an entity is entitled will include input tax credits to which the representative member of any GST group of which that entity is a member is entitled.

**(b) Reimbursements and similar payments**

Any payment or reimbursement required to be made under this Easement for a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.

**(c) GST payable**

If GST is payable in relation to a supply made under or in connection with this Easement then:

- (i) any party ("**Recipient**") that is required to provide consideration to another party ("**Supplier**") for that supply must pay an additional amount to the Supplier equal to the amount of GST payable on the supply;
- (ii) the additional amount is payable at the same time as any of the consideration is to be first provided for the supply or, if later, after the Supplier provides a valid tax invoice to the Recipient.

**(d) Variation**

If the GST payable in relation to a supply made under or in connection with this Easement varies from the additional amount paid by the Recipient under clause 9(c) in relation to that supply then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 9(c).

**10. Damage to the Easement Land**

Any damage to the Easement Land caused by the use of the Easement Land by the Grantee or the Grantee's Invitees whilst exercising rights under this Easement shall be paid for by the Grantee. The Grantee is to be notified of such damage by the Grantor and the Grantee is to be afforded a reasonable time to itself cause the damage to be repaired prior to the Grantor repairing any such damage and recovering the reasonable cost of repair from the Grantee.

**11. Lend Lease is Trust**

- (a) This Easement applies to Lend Lease in its capacity as trustee for the Lend Lease Core Plus Fund Subtrust Passive ("the Trust") and in no other capacity.
- (b) An obligation or liability incurred by Lend Lease acting in its capacity as trustee for the Trust is limited to and can be enforced against Lend Lease only to the extent to which it can be satisfied out of property of the Trust out of which Lend Lease is actually indemnified for the obligation or liability. This limitation of Lend Lease's obligations applies despite any other provision of the Easement (other than clause 11(d)) and extends to all obligations and liabilities of Lend Lease in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to the deed or to the Trust.
- (c) The Grantee may not sue Lend Lease in any capacity other than as trustee for the Trust, including seeking the appointment of a Controller (as defined in the Corporations Act 2001) (except in relation to the property of the Trust), or a liquidator, an administrator or any similar person to Lend Lease or prove in any liquidation, administration or arrangements of or affecting Lend Lease (except in relation to the property of the Trust).
- (d) The provisions of this clause 11 do not apply to any obligation or liability of Lend Lease in its capacity as trustee for the Trust to the extent that it is not satisfied because under the Trust's deed or by operation of law there is a reduction in the extent of Lend Lease's indemnification out of the assets of the Trust as a result of negligence, fraud or breach of trust.
- (e) Lend Lease does not have to incur any obligation under this Easement unless its liability in respect of that obligation is limited in the same manner as in this clause 11.

Notice is given under the *Integrated Planning Act 1997*, Schedule 1 that on 20 November 2007 Mareeba Shire Council adopted an amendment to the planning scheme for the Shire of Mareeba.

The planning scheme amendment will have effect on and from 23 November 2007.

The purpose and general effect of the amendment are to designate the land listed in **SCHEDULE 1** below for Community Infrastructure (Waste Management Facilities). Waste management facilities are currently operated by Council on all land mentioned in **Schedule 1**.

**SCHEDULE 1**

The amendment will ensure the continued lawful operation, including the lawful expansion, of waste management facilities on land owned by or under the control of Mareeba Shire Council. It exempts the ongoing use of that land for waste management facilities from the operation of the Planning Scheme. Any other development of that land requires assessment to the extent that it would require assessment under the Planning Scheme for Mareeba Shire.

## QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

### CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

### MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

### HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at [www.jobs.qld.gov.au](http://www.jobs.qld.gov.au). The information kit will include:
  - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
  - a job information package, outlining the procedure for preparing and sending in your application, and
  - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
  - completed cover sheet (available on jobs online or in the kit mailed to you)
  - covering letter
  - resumé / curriculum vitae
  - names and contact details of (2) referees, and
  - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.
