Government

Queensland Future Growth Corporation

Annual Report

2010-11

About this annual report

The Queensland Future Growth Corporation is a statutory body established to administer the Queensland Future Growth Fund. The Fund has been created to provide funding for infrastructure and initiatives that will benefit the future economy and environmental sustainability of Queensland.

The *Queensland Future Growth Corporation Annual Report 2010-11* is an important part of our corporate governance framework. It ensures accountability to the Queensland Parliament and the community about the Corporation and the activities of the Fund.

The report details the performance, activities and financial position for the 2010-11 financial year and links with the Service Delivery Statement for 2010-11 and 2011-12. It also provides information on structure and corporate governance processes, and the proposed future direction of the Corporation.

The annual report will be tabled in Parliament and an electronic version is available online from the Queensland Treasury website www.treasury.qld.gov.au

Feedback

We are committed to continually improving our annual report. To help us do this, we welcome your feedback. A feedback form is available with the electronic version of the report on our website at www.treasury.qld.gov.au

Translating and interpreting assistance

The Queensland Government is committed to providing accessible services to Queenslanders from all culturally and linguistically diverse backgrounds.

If you have difficulty understanding this annual report, please contact us on +61 7 3224 5908 between 9am-5pm, Monday to Friday (except public holidays). We will arrange an interpreter to communicate the report to you.

13 September 2011

The Honourable Andrew Fraser MP
Treasurer and Minister for State
Development and Trade
Level 9 Executive Building
100 George Street
BRISBANE QLD 4000

Dear Treasurer

I am pleased to present the *Queensland Future Growth Corporation Annual Report 20010-11*.

I certify that this Annual Report complies with:

- the prescribed requirements of the *Financial Accountability Act 2009* and the *Financial and Performance Management Standard 2009*
- the detailed requirements set out in the *Annual Report Requirements for Queensland Government Agencies*.

A checklist outlining compliance with the annual reporting requirements can be accessed from **www.treasury.qld.gov.au**

Yours sincerely

Gerard Bradley
Under Treasurer

Introduction by the Under Treasurer

The Queensland Future Growth Corporation administers the Queensland Future Growth Fund which was established in 2006 with the net proceeds from the sale of the State's Government-owned energy corporations – Allgas Energy, Sun Retail, Sun Gas and PowerDirect Australia.

The Fund provides additional funding for a range of initiatives and infrastructure projects to support the State's future economic growth and environmental sustainability.

As this report outlines, in 2010-11, the Fund provided \$404.7 million towards transport and water infrastructure, clean coal technology, climate change projects, Smart State projects and social housing stock.

Looking ahead, the Fund will continue to contribute to the delivery of key priorities that will benefit the future economy of Queensland.

Gerard Bradley
Under Treasurer

About us

The Queensland Future Growth Corporation and the Queensland Future Growth Fund were established under the *Future Growth Fund Act 2006* on 1 June 2006.

The Corporation has been created as a corporation sole under the *Future Growth Fund Act 2006* to administer the Fund. A corporation sole is essentially a corporation (company) that consists solely of a nominated office holder. In this case, the Under Treasurer of Queensland is the nominated office holder.

The Corporation has been established as a statutory body under both the *Financial Accountability Act 2009* and the *Statutory Bodies Financial Arrangements Act 1982*.

The objectives of the Fund, as set out in section 4 of the *Future Growth Fund Act 2006*, are to provide funding:

- a) for initiatives and infrastructure benefiting Queensland
- b) with the approval of the Treasurer, for things benefiting Queensland other than initiatives or infrastructure.

Structure

The Corporation has no employees. To ensure minimal administration and cost incurred in complying with legislative requirements, Queensland Treasury's existing systems and processes are used to record and prepare the Corporation's financial transactions and statements.

In addition, it utilises Queensland Treasury's Audit Committee and Risk Management Committee and *Information and Communication Technology Strategic Plan* and *Asset Strategic Plan*.

Corporate governance

Queensland Treasury is responsible for the Fund's management and reports to the Treasurer on policy issues. External reporting for the Corporation, including the Annual Report and Service Delivery Statement, is prepared by Queensland Treasury.

Our performance

Strategic business priorities

The Queensland Future Growth Fund supports initiatives and infrastructure that will benefit the sustainability and prosperity of Queensland's economy by:

- providing funding for infrastructure projects that support the State's growth, particularly in the areas of transport, housing, water and commercial infrastructure
- supplying funds to research and develop innovative technologies that address climate change and proactively advance the State's environmental sustainability
- providing funding for infrastructure associated with the Flying Start initiative.

The Fund directly contributes to the Government's *Toward Q2: strong ambition – creating a diverse economy powered by bright ideas*.

Strategic business priorities	Highlights	The year ahead
1. To administer the Fund in accordance with established guidelines	The fund allocations were closely monitored to ensure compliance with the guidelines	Continue to work with agencies to allocate the funds according to Government priorities
2. To ensure governance and compliance with all relevant government policies	The Corporation's General Purpose Financial Statements were certified without qualification by the Auditor-General	Continue to monitor and review the administrative procedures established with regard to the Corporation and the Fund

Actions/projects undertaken to achieve priorities

- Prepared audited financial statements and annual report for the Corporation.
- Continued to manage and review the financial systems, practices and internal controls.
- Maintained the delegation of procurement, expenditure and administrative functions to appropriately qualified public service employees.
- Re-injected interest earnings on the Fund balance.
- Ensured appropriate allocation of funds for nominated projects.

Performance statement

Performance measure	Target	Actual
a) Fund administered in accordance with government guidelines	100%	100%
b) Allocation of funds to projects within the intended scope of the Fund	100%	100%
c) Provision of funding in accordance with project cash flows	100%	100%

Our activities

Operations

In 2010-11, funding was provided towards transport and water infrastructure, clean coal technology, climate change and Smart State projects including the Life Sciences Partnership Fund (invested with Queensland Investment Corporation), commercial infrastructure and social housing stock.

Queensland Future Growth Fund projects	2010-11 \$ million
Transport infrastructure	20.800
Water infrastructure	164.100
Clean coal technology	16.400
Climate change projects	38.400
Smart State projects	75.000
Commercial infrastructure ¹	..
Social housing stock	90.000
TOTAL	404.700

1. Transport infrastructure includes the Mount Isa rail line project which has been re-allocated from Commercial infrastructure.

Proposed forward operations

The Fund will continue to contribute to the delivery of key priorities, in accordance with its stated objectives, as set out in section 4 of the *Future Growth Fund Act 2006*. It will achieve this by:

- allocating funding for the construction of transport infrastructure projects
- funding carbon geostorage investigations which will make a proactive and positive contribution to the science and technology of reducing carbon emissions
- providing funding to support climate change initiatives such as the Queensland Solar Hot Water Program, the Geothermal Energy Centre of Excellence and a range of energy conservation and demand management measures designed to reduce peak electricity demand in Queensland
- contributing funds towards Smart State projects, including the Innovation Building Fund
- continuing to fund expansion of the State's social housing stock
- As part of the 2011-12 Budget, the Government has decided to allocate the bulk of the remaining funds to the education infrastructure required for the Year 7 Flying Start initiative (\$328.2 million) and the continuation of Smart State initiatives (\$85 million).

The Fund will continue to benefit from the re-injection of interest earnings on the Fund balance.

Entities controlled by the agency

No entities are controlled by the Corporation. Agencies receiving funding are required to record these activities within their Service Delivery Statements and annual reports.

Information and communication technology/assets

The Corporation is covered by the *Information and Communication Technology (ICT) Strategic Plan and Asset Strategic Plan* prepared by Queensland Treasury as it holds no ICT resources or assets of the type listed in the *Asset Plan Guidelines*.

Internal audit function

Due to the nature of the Corporation and its use of Queensland Treasury's infrastructure and policies, it is covered within the Treasury audit plan.

Risk management

Risk management is a core part of Queensland Treasury's corporate governance framework. It involves having the appropriate checks and balances in place to support our processes and systems. On a regular basis, senior management identifies business risks to ensure appropriate processes have been introduced to manage all risks associated with Queensland Treasury's operations.

Consultancy expenditure

No expenditure on consultancy was incurred in 2010-11.

Overseas travel

No overseas travel was undertaken in 2010-11.

Quality measures

The Corporation has a number of quality measures as listed in our performance statement table on page five. All targets for quality measures were met in 2010-11.

Foreword

Queensland Future Growth Corporation's Financial Statements are general purpose financial statements prepared in accordance with prescribed requirements including Australian Accounting Standards and the Financial Reporting Requirements issued by the Treasurer.

The Financial Statements comprise the following components:

- Statement of Comprehensive Income
- Statement of Financial Position
- Statement of Changes in Equity
- Statement of Cash Flows
- Notes to and forming part of the Financial Statements.

Queensland Future Growth Corporation

Cash and cash equivalents at beginning of financial year		1,110,699	1,568,094
Cash and cash equivalents at end of financial year	6	752,422	1,110,699

This Statement of Cash Flows should be read in conjunction with the accompanying notes.

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

1. Objectives of the Corporation

The Queensland Future Growth Corporation was established on 1 June 2006 under the *Future Growth Fund Act 2006* to administer the Queensland Future Growth Fund. The Fund will provide for initiatives and infrastructure for the benefit of Queensland. The Corporation operates from funds received on the investment of the proceeds from the sale of certain Government assets.

2. Summary of significant accounting policies

(a) Basis of accounting

The Corporation's financial statements have been prepared as general purpose financial statements in accordance with section 42 of the Financial and Performance Management Standard 2009 and Australian Accounting Standards and Interpretations. In addition, the financial statements comply with the Treasurer's Minimum Reporting Requirements for the year ended 30 June 2011 and other authoritative pronouncements.

With respect to compliance with Australian Accounting Standards and Interpretations, the Corporation has applied those requirements applicable to not-for-profit entities, as the Corporation is a not-for-profit entity. Except where stated, the financial statements have been prepared in accordance with the historical cost convention.

(b) Reporting Entity

The Corporation is established as a statutory body under both the *Financial Accountability Act 2009* and the *Statutory Bodies Financial Arrangements Act 1982*. The Corporation has no employees or plant and equipment and has adopted the policies and financial management principles of Queensland Treasury.

(c) Interest Revenue

Interest earned through the Cash Management Incentives Regime on the Corporation's bank account is recognised in the Statement of Comprehensive Income when earned.

(d) Cash and Cash Equivalents

All funds are deposited into an at call facility with a commercial bank. For the purposes of the Statement of Financial Position and the Statement of Cash Flows, cash assets include all cash and cheques receipted but not banked at 30 June.

(e) Receivables

Trade debtors are recognised at the amounts due at the time of sale or service delivery i.e. the agreed purchase\contract price. Settlement of trade debtors is required within 30 days. The collectability of receivables is assessed periodically with provision being made for impairment.

Other debtors may arise from transactions outside the usual operating activities of the Corporation and are recognised at their assessed amounts.

(f) Payables

Trade creditors are recognised upon receipt of goods and services at the contracted amount to be paid for the goods and services received.

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

2. Summary of significant accounting policies (continued)

(g) Financial instruments

Recognition

Financial assets and financial liabilities are recognised in the Statement of Financial Position when the Corporation becomes party to the contractual provisions of the financial instrument.

Classification

Financial instruments are classified and measured as follows:

- Cash and cash equivalents – held at fair value through profit or loss
- Receivables – held at amortised cost
- Payables – held at amortised cost

The Corporation does not enter into transactions for speculative purposes, nor for hedging. Apart from cash and cash equivalents, the Corporation holds no financial assets classified at fair value through profit or loss.

All other disclosures relating to the measurement and financial risk management of financial instruments held by the Corporation are included in Note 12.

(h) Taxation

The Corporation is a State body as defined under the *Income Tax Assessment Act 1936* and is exempt from Commonwealth income tax. The Corporation is liable for GST and GST credits receivable from/payable to the Australian Taxation Office (ATO) are recognised and accrued where applicable.

(i) Issuance of Financial Statements

The financial statements are authorised for issue by the Under-Treasurer and Chief Financial Officer at the date of signing the Management Certificate.

(j) Judgement and Assumptions

The preparation of financial statements necessarily requires the determination and use of certain critical accounting estimates, assumptions and management judgements that have the potential to cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Such estimates, judgements and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods as relevant.

(k) Rounding and Comparatives

Amounts included in the financial statements are in Australian dollars and have been rounded to the nearest \$1,000 or, where that amount is \$500 or less, to zero, unless disclosure of the full amount is specifically required. Sub totals and totals may not add due to rounding, but the overall discrepancy is not greater than two.

Comparative information has been restated where necessary to be consistent with disclosures in the current reporting period.

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

2. Summary of significant accounting policies (continued)

(I) New and Revised Accounting Standards

The Corporation did not voluntarily change any of its accounting policies during 2010-11.

The Corporation is not permitted to early adopt a new or amended accounting standard ahead of the specified commencement date unless approval is obtained from the Treasury Department. Consequently, the Corporation has not applied any Australian accounting standards and interpretations that have been issued but are not yet effective. The Corporation will apply these standards and interpretations in accordance with their respective commencement dates.

At the date of authorisation of the financial report, all new or amended Australian accounting standards and interpretations with future commencement dates were either not applicable to the Corporation or had no material impact on the Corporation.

11. Events occurring after balance date

There were no events occurring after balance date that would affect the financial statements of the Corporation.

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

12. Financial instruments

(a) Categorisation of Financial Instruments

The Corporation has the following categories of financial assets and financial liabilities:

Category	Note	2011 \$'000	2010 \$'000
Financial Assets			
Cash and cash equivalents	6	752,422	1,110,699
Receivables	7	10,618	11,043
Total		<u>763,040</u>	<u>1,121,742</u>
Financial Liabilities			
Payables	8	13	14
Total		<u>13</u>	<u>14</u>

(b) Financial Risk Management

The Corporation's activities expose it to a variety of financial risks - interest rate risk, credit risk, liquidity risk and market risk. Financial risk management is implemented pursuant to Corporation policy. These policies focus on the unpredictability of financial markets and seek to minimise potential adverse effects on the financial performance of the Corporation. All financial risk is managed by Queensland Treasury.

(c) Credit Risk Exposure

Credit risk exposure refers to the situation where the Corporation may incur financial loss as a result of another party to a financial instrument failing to discharge their obligation.

The maximum exposure to credit risk at balance date in relation to each class of recognised financial assets is the gross carrying amount of those assets inclusive of any provision for impairment.

The following table represents the Corporation's maximum exposure to credit risk based on contractual amounts net of any allowances:

Maximum Exposure to Credit Risk		2011 \$'000	2010 \$'000
Category	Note		
Financial Assets			
Cash and cash equivalents	6	752,422	1,110,699
Receivables	7	10,618	11,043
Total		<u>763,040</u>	<u>1,121,742</u>

No collateral is held as security and no credit enhancements relate to financial assets held by the Corporation.

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

No financial assets and financial liabilities have been offset and presented net in the Statement of Financial Position.

No financial assets of the Corporation are considered to be impaired as disclosed in the following tables:

2011 Financial Assets Past Due But Not Impaired

	Not Overdue \$'000	Less than 30 Days \$'000	30-60 Days \$'000	61-90 Days \$'000	Overdue More than 90 Days \$'000	Total \$'000	Total Financial Assets \$'000
Financial Assets							
Receivables	10,618	10,618
Total	10,618	10,618

2010 Financial Assets Past Due But Not Impaired

	Not Overdue \$'000	Less than 30 Days \$'000	30-60 Days \$'000	61-90 Days \$'000	Overdue More than 90 Days \$'000	Total \$'000	Total Financial Assets \$'000
Financial Assets							
Receivables	11,043	11,043
Total	11,043	11,043

(d) Liquidity Risk

Liquidity risk refers to the situation where the Corporation may encounter difficulty in meeting obligations associated with financial liabilities.

The Corporation is exposed to liquidity risk in respect of its payables. The Corporation manages liquidity risk by ensuring it has sufficient funds available to meet obligations as they fall due.

The following table sets out the liquidity risk of financial liabilities held by the Corporation based on cash flows relating to repayment of the amounts outstanding at balance date.

Note	2011 Payable in			Total
	<1 year \$'000	1 - 5 years \$'000	>5 years \$'000	\$'000
Financial Liabilities				
Payables	8	13	..	13
Total		13	..	13

Queensland Future Growth Corporation

Notes to and forming part of the Financial Statements

For the year ended 30 June 2011

Note	2010 Payable in			Total
	<1 year	1 - 5 years	>5 years	
	\$'000	\$'000	\$'000	\$'000
Financial Liabilities				
Payables	8	14	..	14
Total		14	..	14

(e) Market Risk

The Corporation does not trade in foreign currency and is not exposed to commodity price changes. The Corporation is exposed to interest rate risk through its cash deposited in an at call facility with a commercial bank. Held-to-maturity investments are at fixed rates over a fixed term. The Corporation does not undertake any hedging in relation to interest rate risks.

(f) Interest Rate Sensitivity Analysis

The following interest rate sensitivity analysis depicts the outcome to profit and loss if interest rates would change by +/- 1% from the year end rates applicable to the Corporation's financial assets. With all other variables held constant, the Corporation would have a surplus and equity increase/ (decrease) of \$7,524,000 (2010: \$11,107,000). This is attributable to the Corporation's exposure to variable interest rates on its at call facility with a commercial bank.

Financial Instruments	Carrying Amount \$'000	2011 Interest rate risk			
		-1%		1%	
		Profit \$'000	Equity \$'000	Profit \$'000	Equity \$'000
Cash and cash equivalents	752,422	(7,524)	(7,524)	7,524	7,524
Overall effect on profit and equity		(7,524)	(7,524)	7,524	7,524

The Corporation's sensitivity to interest has decreased in the current period due to a decrease in cash balances.

Financial Instruments	Carrying Amount \$'000	2010 Interest rate risk			
		-1%		1%	
		Profit \$'000	Equity \$'000	Profit \$'000	Equity \$'000
Cash and cash equivalents	1,110,699	(11,107)	(11,107)	11,107	11,107
Overall effect on profit and equity		(11,107)	(11,107)	11,107	11,107

(g) Fair Value

The Corporation does not recognise any financial assets or financial liabilities at fair value.

The fair value of trade receivables and payables is assumed to approximate the value of the original transaction, less any provision for impairment.

Certificate of the Queensland Future Growth Corporation

These general purpose financial statements have been prepared pursuant to section 62 (1) of the *Financial Accountability Act 2009*, relevant sections of the *Financial and Performance Management Standard 2009* and other prescribed requirements. In accordance with section 62 (1)(b) of the Act we certify that in our opinion:

- (a) the prescribed requirements for establishing and keeping the accounts have been complied with in all material respects; and
- (b) the statements have been drawn up so as to present a true and fair view, in accordance with prescribed accounting standards, of the transactions of the Queensland Future Growth Corporation for the financial year ended 30 June 2011 and of the financial position of the statutory body as at the end of that year.

Independent Auditor's Report

To the Under Treasurer of Queensland

Matters Relating to the Electronic Presentation of the Audited Financial Report

The auditor's report relates to the financial report of the Queensland Future Growth Corporation, for the financial year ended 30 June 2011, included on Treasury Department's website. The Under Treasurer is responsible for the integrity of the Treasury Department's website. I have not been engaged to report on the integrity of the Treasury Department's website. The auditor's report refers only to the statements named below. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report, available from the Treasury Department, to confirm the information included in the audited financial report presented on this website.

These matters also relate to the presentation of the audited financial report in other electronic media including CD Rom.

Report on the Financial Report

I have audited the accompanying financial report of the Queensland Future Growth Corporation which comprises the statement of financial position as at 30 June 2011, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies, other explanatory notes and certificates given by the Under Treasurer and the Chief Financial Officer.

The Under Treasurer's Responsibility for the Financial Report

The Under Treasurer is responsible for the preparation and fair presentation of the financial report in accordance with prescribed accounting requirements identified in the *Financial Accountability Act 2009* and the *Financial and Performance Management Standard 2009*, including compliance with Australian Accounting Standards (including the Australian Accounting Interpretations). This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with the *Auditor-General of Queensland Auditing Standards*, which incorporate the *Australian Auditing Standards*. These auditing standards require compliance with relevant ethical requirements relating to audit engagements and that the audit is planned and performed to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatement in the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control, other than in expressing an opinion on compliance with prescribed requirements. An audit also includes evaluating the appropriateness of accounting policies and the reasonableness of accounting estimates made by the Under Treasurer, as well as evaluating the overall presentation of the financial report including any mandatory financial reporting requirements as approved by the Treasurer for application in Queensland.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Auditor's Opinion

Independence

The *Auditor-General Act 2009* promotes the independence of the Auditor-General and all authorised auditors. The Auditor-General is the auditor of all Queensland public sector entities and can only be removed by Parliament.

The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

Auditor's Opinion

In accordance with s.40 of the *Auditor-General Act 2009* –

- (a) I have received all the information and explanations which I have required; and
- (b) in my opinion –
 - (iii) the prescribed requirements in respect of the establishment and keeping of accounts have been complied with in all material respects; and
 - (iv) the financial report has been drawn up so as to present a true and fair view, in accordance with the prescribed accounting standards of the transactions of the Queensland Future Growth Corporation for the financial year 1 July 2010 to 30 June 2011 and of the financial position as at the end of that year.
