Organ donation

Being a donor

Call the Australian Organ Donor Register on **1800 777 203** for a brochure and form, or pick one up from a Department of Transport and Main Roads customer service centre, Medicare offices, Queensland Government Agent Program offices or your local police station if you are in a rural area.

For more information on organ donation, visit the Medicare Australia website **www.medicareaustralia.gov.au**.

Once you have registered, it is important to tell your family and friends about your decision.
