STANDARD CONDITIONS

Standard conditions are those that generally attach to all licences of a particular type. You must comply with all conditions or you will be committing an offence under the *Liquor Act 1992*.
- 9

PRINCIPAL ACTIVITY

The main activity your business is conducting e.g:
 - a restaurant's principal activity is serving meals to be eaten on the premises—the supply of liquor is a secondary aspect of the business
 - a pub's principal activity may be the sale of liquor for consumption on and off premises.
- 10

FAST RESPONSE

This is a technical, acoustic testing term. A noise testing device set to a fast response setting responds to changes in sound much faster than it would in a slow response setting. This allows it to provide more detail and show varying noise levels quickly. It will pick up any short, fast sounds that a slow setting would otherwise miss.
- 11

SPECIFIC CONDITIONS

Specific conditions will generally address the specific risk of an individual premises and its layout. For example, they may include tailored noise limits or conditions that enforce any planning limitations.
