Sustainable Planning Act 2009

BUNDABERG REGIONAL COUNCIL
ADOPTION OF TEMPORARY LOCAL PLANNING INSTRUMENT
(TLPI) 1/2014 – INTERIM FLOOD RESPONSE

Notice is given under the *Sustainable Planning Act 2009* that on 18 March 2014, Bundaberg Regional Council adopted a Temporary Local Planning Instrument (TLPI) 1/2014 – Interim Flood Response.

Council advises that it has also designated, by resolution, flood hazard areas for the purposes of section 13 of the Building Regulation 2006.

The TLPI applies to designated flood hazard areas in the Bundaberg Region. The purpose and general effect of the TLPI is to suspend certain provisions contained in Council's current planning schemes, to –

- ensure development in flood hazard areas considers the nature of the flooding impacts and incorporates increased resilience measures where appropriate;
- limit intensification of residential development (e.g. subdivision and multiple dwellings) in flood hazard areas;
- exempt repairs to existing buildings or structures to rectify damage caused by the 2013 flood event;
- facilitate self assessment of dwelling houses to allow houses to be raised to improve flood resilience; and
- ensure filling of land in the flood hazard area does not worsen flooding impacts on other land.

The TLPI commences on 20 March 2014 and will cease to have effect on 19 March 2015. The flood hazard area resolution takes effect on 20 March 2014 and replaces Council's previous resolution made at its meeting held 6 March 2013.

A copy of the TLPI and details of Council's flood hazard area resolution are available for inspection and purchase at Bundaberg Regional Council's Administration Building, 190 Bourbong Street, Bundaberg and can be viewed on Council's website at www.bundaberg.qld.gov.au.
