

Touring Queensland Fund Guidelines

Introduction

The Queensland Government recognises the important role of arts and culture in delivering significant social and economic outcomes for Queenslanders.

[Creative Together 2020-2030](#) is the Queensland Government's 10-year vision which will see Queensland renewed and transformed through arts, culture and creativity, with a focus on growing a strong and sustainable sector that can adapt to meet audience demand, embrace innovative delivery models, attract investors and build financial sustainability.

The Touring Queensland Fund will contribute to the achievement of the priorities set out in Creative Together 2020 – 2030, including:

- Elevate First Nations arts
- Activate Queensland's local places and global digital spaces
- Drive social change across the state
- Strengthen Queensland communities
- Share our stories and celebrate our storytellers.

The Queensland Government's \$22.5 million [Arts and Cultural Recovery Package](#) underpins *Creative Together* and supports the Roadmap's first two-year action plan, Sustain 2020-2022, with a focus on stabilising Queensland's arts companies, securing jobs for artists and arts workers, and delivering COVID-safe cultural experiences to Queensland audiences.

What is the Touring Queensland Fund?

The Touring Queensland Fund (the Fund) offers support for the delivery of high quality, tour-ready work and exhibitions to and from regional Queensland communities with demonstrated community interest and demand.

The objectives of the Fund are to:

- ensure all Queenslanders have access to the arts by supporting high quality performing and visual arts and exhibition tours in communities across Queensland
- maximise employment opportunities for Queensland artists and arts workers
- support access for audiences to a vibrant and diverse range of arts product
- respond to the challenges on viability of touring models as a result of COVID-19 impacts.

Funding streams

Funding is administered across four funding streams to ensure investment is balanced across all art forms and all types of applicant.

Performing Arts Touring – single tour

- Supports single tours of performances and/or community engagement activities, including theatre, circus, classical and contemporary music and dance tours.

Playing Queensland Fund

Performing Arts Touring – multi-tour program

- Supports an up-to-18-month program of touring performances and/or community engagement activities, including theatre, circus, classical and contemporary music and dance tours.

Exhibition Touring

- Supports regional touring for all forms of cultural heritage, visual arts and craft exhibitions, including exhibitions containing multi-media, moving-image installations and design.

Arts and Education

- Supports regional schools and kindergartens to access high quality touring product and artists in residence programs with strong demonstrable links to the Australian Curriculum/Early Years Learning Framework.

To meet the definition of a tour, funded activity must happen in at least two other locations/communities other than the applicant's home location. Applicants based in regional Queensland must include at least one regional Queensland community other than their own, and metropolitan applicants must include at least two regional Queensland communities.

Artist in residence programs must take place in at least one regional location and must benefit schools or kindergartens.

Funding will support tours within and between regions, touring from Brisbane to regional Queensland locations and tours from regionally-based companies to Brisbane, as well as curriculum-relevant artist-in-residence projects in regional Queensland.

For the purposes of the Fund, regional Queensland is defined as all Queensland locations outside of Brisbane City Council boundaries, and remote communities are defined as MMM3 – MMM7 using the [Modified Monash Model](#) (MMM) classification of remoteness. Metropolitan is defined as locations inside Brisbane City Council boundaries.

Queensland Government commitments

The Queensland Government is committed to recognising the value of the arts, culture and creativity, and ensuring they are an integral part of the lives and communities of all Queenslanders, and has developed [Creative Together: 2020-2030](#) as a whole of Government strategy to deliver significant social and economic outcomes to renew and transform Queensland.

The Queensland Government also has clear [objectives for the community](#) built around [Unite and Recover – Queensland Economic Recovery Plan](#), including safe guarding our health, supporting jobs, backing small business, making it for Queensland and building Queensland, growing our regions, investing in skills, backing our frontline services and protecting the environment.

Target Groups

Arts Queensland is committed to realising the ambitions of the *Queensland Aboriginal and Torres Strait Islander Economic Participation Framework*, the *Queensland Cultural Diversity Policy*, the *Queensland Youth Strategy* and the *National Arts and Disability Strategy*. Applications which include the following target groups as creators, participants or audiences will strengthen the implementation of Queensland Government commitments:

- older people (over 55 years old)
- Aboriginal people and Torres Strait Islander people
- people from a culturally and linguistically diverse background, including Australian South Sea Islanders
- children and young people (0–25 years old)

Touring Queensland Fund

- people with disability*.
- LGBTQI+

**Note that funding recipients are required to meet legal obligations in relation to accessibility including access to web content.*

Applicants are encouraged to explore how they might direct their activities to these specific target groups and deliver against Queensland Government priorities.

Applicants to the Arts and Education stream must demonstrate how they will meet all necessary Queensland Government legislative requirements for working with children and young people, including for example, the *Work Health and Safety Act 2011* and the *Working with Children (Risk Management and Screening) Act 2000*.

Components of the Fund deliver outcomes under the Visual Arts and Craft Strategy (VACS) (a partnership with the Australia Council for the Arts) and the Queensland Government's Backing Indigenous Arts (BIA) strategy. If eligible, successful applicants to the Fund may be funded through either the VACS or BIA Initiatives. To learn more about VACS or BIA, please refer to the Frequently Asked Questions (FAQ) at www.arts.qld.gov.au/backing-indigenous-arts.

What you can apply for

It is up to you to make the case for how your proposal will deliver against the objectives and criteria of the Fund. You should clearly demonstrate why Arts Queensland investment is needed at the level requested and how this will help meet the objectives of the Fund. The maximum you can apply for is:

- \$20,000 for artists in residency projects
- \$150,000 for up to two tours
- \$200,000 for touring programs of three or more tours.

The following costs are eligible for Arts Queensland funding support:

- Touring party costs: accommodation; touring party per diems (travel allowance); travel; and transport costs
- Touring production costs: freight; exhibition installation and dismantling costs; crating; vehicle hire; and equipment hire
- Artist and arts worker fees: touring artists; touring technical and support crew; artist loan fees for touring artwork; artists and arts workers and First Nations cultural consultants involved in community engagement related to the touring work
- Tour-coordination fees
- The development of curriculum-relevant educational resources
- Accessibility costs
- Costs directly associated with digital delivery of performance, exhibition or community engagement content
- Funding requests for residency-only components of any application are capped at \$20,000 per application.

Touring costs must be reasonable (for example, economy fares when travelling). Travel and accommodation costs and per diems will not be considered eligible for activity within reasonable travelling distance of the touring party's own region unless it is necessary to meet industry award conditions.

Arts Queensland funding can also be allocated to up to 35% of the total of artists, arts worker or creative fees associated with the remount or rehearsal of performing arts touring productions, or the exhibition preparation of cultural heritage or visual arts touring exhibitions.

Touring Queensland Fund

- Eligible fees: Artists, arts workers, and creatives engaged for the project including: performers, musicians, designers, directors, dramaturgs, technicians, makers, curators, conservators, exhibition designers, catalogue writers, First Nations cultural consultants

- core staff involved in touring or community engagement activities

- any costs covered by other Arts Queensland funding

Arts Queensland will not fund 100% of a Queensland tour budget. Non-Queensland Government income sources should be included. This may include earned income, other grants, sponsorships, financial and in-kind partnerships, or your own contributions.

All applications will be checked to ensure there is no duplication of remount, rehearsal or exhibition preparation costs with funding from other Arts Queensland programs and with Australia Council for the Arts programs such as Playing Australia and Visions Australia.

You are encouraged to contact Arts Queensland to discuss your application prior to submission and check eligible costs for funding.

Peer assessors reserve the right to recommend the final amount of funding and the funding stream they consider best suits the tour.

How to manage a successful application

The Terms and Conditions of funding for TQF can be found on the Arts Queensland website www.publications.qld.gov.au/dataset/info-arts-funding-applicants/resource/ee0fd828-2464-4209-bc19-113dbd7474e5

If your application is successful, you will be advised of the decision and the funding offer and any special conditions of funding recommended for your application.

You may be asked to supply additional information to demonstrate that funding conditions have been met before a letter of agreement is sent or funding conditions may be included within your letter of agreement.

If all tour locations are already confirmed and there are no changes to the application tour itinerary then you will be sent a letter of agreement confirming the funding offer and the target outputs for your tour.

Arts and Education touring applicants with some unconfirmed locations, and TQF applicants with changes to planned itineraries since the submission of their application, will need to confirm the final tour itinerary and budget with Arts Queensland before a letter of agreement can be sent.

If you are approved for funding you will be required to provide an EFT form and tax invoice to Arts Queensland for 90% of your approved funding amount.

You can log onto Smartygrants at any time to view the details of your approved grant application.

What reporting will I need to do if successful?

You will be required to submit an outcome report to Arts Queensland within 30 business days of completing your funded activity.

The outcome report collects information about outputs and outcomes program including artistic, cultural, social and economic returns on investment.

It is recommended that you familiarise yourself with the outcome report before you submit your application, so you understand the obligations which come with government funding as well as the types of outcomes Arts Queensland is interested in evaluating from its investment.

The outcome report templates, as well as a range of associated tools and resources, are available at <http://www.arts.qld.gov.au/aq-funding/outcome-reports>

Arts Queensland may request the return of grant funds if they are unspent at the time of acquittal, or due to breaches of the funding Guidelines.

Unsuccessful and Ineligible applications

You will receive an email advising of the result of your funding application if it is unsuccessful or ineligible. You are invited to contact Arts Queensland for feedback if your application was unsuccessful.

You are strongly encouraged to discuss your application with Arts Queensland prior to submitting to minimise the risk of your application being deemed ineligible.

Client Survey

From time to time AQ conducts client surveys. These surveys are voluntary and may be emailed to applicants. They support continuous improvement of the grant processes. All responses will remain confidential.
