These amounts represent liabilities for goods and services provided to QLC prior to the end of the financial year which at 30 June are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(e) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

- where the GST incurred on a purchase of goods and services is not recoverable from the Australian Taxation Office (ATO), in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

(f) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and the revenue can be reliably measured.

Interest revenue

(g) New accounting standards and interpretations

A number of new and amended accounting standards are mandatory for the first time for the year ended 30 June 2015. The adoption of these standards or interpretations did not have any significant impact on the financial statements or the performance of QLC.

Certain new accounting standards and interpretations have been published that are effective for annual periods beginning after 1 July 2015 and have not been applied in preparing these financial statements. QLC's assessment on the impact of standards and interpretations on issue but not yet effective is that they are not expected to have any significant impact on the financial statements or the performance of QLC. However, the pronouncements may result in changes to how information is currently disclosed in the financial statements. QLC does not plan to early adopt any of these standards.

INDEPENDENT AUDITOR'S REPORT

To the Members of Queensland Lottery Corporation Pty Ltd

Report on the Financial Report

I have audited the accompanying financial report of Queensland Lottery Corporation Pty Ltd, which comprises the balance sheet as at 30 June 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on the audit. The audit was conducted in accordance with the *Auditor-General of Queensland Auditing Standards*, which incorporate the Australian Auditing Standards. Those standards require compliance with relevant ethical requirements relating to audit engagements and that the audit is planned and performed to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

The *Auditor-General Act 2009* promotes the independence of the Auditor-General and all authorised auditors. The Auditor-General is the auditor of all Queensland public sector entities and can be removed only by Parliament.

The Auditor-General may conduct an audit in any way considered appropriate and is not subject to direction by any person about the way in which audit powers are to be exercised. The Auditor-General has for the purposes of conducting an audit, access to all documents and property and can report to Parliament matters which in the Auditor-General's opinion are significant.

In conducting the audit, the independence requirements of the *Corporations Act 2001* have been complied with. I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Queensland Lottery Corporation Pty Ltd, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In my opinion, the financial report of Queensland Lottery Corporation Pty Ltd is in accordance with the *Corporations Act 2001*, including –

- (i) giving a true and fair view of the company's financial position as at 30 June 2015 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.
