QUEENSLAND GOVERNMENT VACANCIES GAZETTE

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commissioner. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

CONTINUOUS APPLICANT POOLS

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

MULTI-AGENCY POOLS

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

HOW TO APPLY

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at www.jobs.qld.gov.au. The information kit will include:
 - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
 - a job information package, outlining the procedure for preparing and sending in your application, and
 - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
 - completed cover sheet (available on jobs online or in the kit mailed to you)
 - covering letter
 - resumé / curriculum vitae
 - names and contact details of (2) referees, and
 - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

TEMPORARY SECONDMENT OPPORTUNITIES ASSESSMENT & MONITORING OFFICERS – AO5/AO6 and PO3/PO4

An excellent opportunity exists for two or three officers currently working in the public sector to join the Crime and Misconduct Commission on secondment for a period of 6-12 months.

Officers at the substantive (permanent) levels of AO5/AO6 (or equivalent PO3/PO4 levels) are invited to apply for these temporary secondments.

The positions will be located in the Misconduct area and will be involved in assessing complaints of alleged misconduct on the part of police officers and public sector officers, monitoring how public sector agencies (including the Queensland Police Service) handle individual misconduct matters and undertaking project work associated with reviewing the capacity of agencies to prevent and deal with misconduct.

To be successful in these roles, you will have good analytical skills, sound judgment, excellent communication skills and be able to write well.

Before applying for these secondment opportunities, you need to ensure that your current agency will agree to your release for a negotiated period of 6-12 months, if you are successful in being offered temporary secondment.

To express your interest in secondment, you should firstly provide a detailed curriculum vitae. Depending on the number of officers who express interest, you may later be required to provide more detailed information on your experience, skills, knowledge and abilities.

In order to work at the CMC, you will be required to undergo a stringent security vetting process which includes making financial disclosures. Expressions of interest will remain current for a period of 12 months and may be used for filling other similar vacancies.

Expressions of interest, quoting the relevant reference number (CMC 48/07), should be forwarded by 5.00 pm on Friday, August 24 2007 to the Human Resources Manager, GPO Box 3123, BRISBANE QLD 4001.

Inquiries can be directed to Helen Bennett on (07) 3360 6239.
