**PUBLIC NOTICE OF MAJOR AMENDMENT TO THE
CENTRAL HIGHLANDS REGIONAL COUNCIL PLANNING SCHEME
MADE UNDER THE MINISTERS GUIDELINES AND RULES AND THE
PLANNING ACT 2016, SECTION 20**

Notice is hereby given that Central Highlands Regional Council adopted an Local Government Infrastructure Plan (LGIP) amendment to the *Central Highlands Regional Council Planning Scheme 2016* on 24 March 2021 and subsequent Charges Resolution No. 13 on 14 April 2021. The LGIP amendment will commence on 19 April 2021.

The amendment replaces the existing LGIP in Part 4 and Schedule 3 of the *Central Highlands Regional Council Planning Scheme 2016*, and associated support material.

The LGIP identifies and plans the trunk infrastructure that is needed now and into the future to support the development within our region in a coordinated, efficient and financially sustainable manner. It assists decision-making for proposed developments and associated trunk infrastructure requirements (such as water, sewerage and road networks), enables council to recoup some of the cost of providing and maintaining trunk infrastructure from new development, and assists in long-term asset management and financial planning.

The adopted LGIP can be viewed online at:
<https://eplan.chrc.qld.gov.au/planningscheme/>

For further information, please contact Council's Development and Planning Unit on 1300 242 686 or email **tplanning@chrc.qld.gov.au**
