HARBOUR MASTER'S DIRECTION

Transport Operations (Marine Safety) Act 1994

Division 2, Subdivision 1, Section 86 - 92

I, Captain Frank D'Souza, Regional Harbour Master, Townsville, am appointed as harbour master under part 7 of *Transport Operations (Marine Safety) Act 1994*.

Under section 86 of the *Transport Operations (Marine Safety) Act 1994* a harbour master may give a direction only if the harbour master reasonably considers it necessary to ensure safety. Further, section 86A of the *Transport Operations (Marine Safety) Act 1994* enables a harbour master to give a general direction that applies to all ship owners, ship masters, ships, other persons or matters.

I am satisfied that it is necessary to issue this direction to ensure marine safety in the Port of Townsville. Sections of the Port Procedures and Information for Shipping – Port of Townsville (<http://www.qld.gov.au/Shipping.aspx>) are mandatory and must be complied with. Only those sections listed in Schedule 1 are mandatory by this general direction.

I DIRECT THAT:

The sections of the Port Procedures Information for Shipping – Port of Townsville listed in Schedule 1 of this direction must be complied with by all ship owners, ship masters, ships, other persons or matters in the Port of Townsville.

Note:

It is an offence to fail to comply with my direction without a reasonable excuse. It is also an offence to obstruct a harbour master in the exercise of a power. The maximum penalty is 200 penalty units for an individual for each offence. If you fail to comply with my direction, then I may carry out the direction myself, and recover all expenses associated with performing the direction for you as a debt in civil jurisdiction.

Captain Frank R. D'Souza
Regional Harbour Master (Townsville)
Maritime Safety Queensland

DATED AT Townsville this 09th day of ay 2023

Schedule 1

Section	Title
2.5	Arrival / Departure Report
2.8	Dangerous Goods
3.5	Prior Notification of Movements
3.6	QSHIPS (Queensland Ship information planning system)
3.7	Booking a Vessel Movement
3.9	Tug and Tow Requirements
3.11	Movement information and Permission to proceed
3.11.1	Arrival – Permission to Proceed
3.11.2	Removal – Permission to Proceed
3.11.3	Departure – Permission to Proceed
3.13	Arrival Reporting Requirements
3.14	Departure and Removal Reporting Requirements
3.16	Reporting defects
4.5	Maximum Vessel Size
4.6	Trim Requirements
5.1.1	Wharf space between ships
5.1.2	Berthing direction
5.2	Berth Restrictions
6.2	Cyclone Procedures
7.2	Speed
7.3	Draft Restrictions and under keel clearance
7.5.3	Warping – Distance more than 60 metres
7.7	Swinging and Passing Restrictions
8.4	Pilot Boarding Ground
9.2	Tug Usage Guidelines
9.4	Line Boat Requirements
10.2.1	Immobilisation Main Engines
12.4	Marine Pollution Reporting
12.5	Marine incidents
12.6	Marine Incident Reporting
