

Queensland Digital Identity: QGov Customer

Department of Transport and Main Roads

About this book

The QGov digital identity system has been replaced by the **Queensland Digital Identity**, also known as **QDI**.

This book will help you create a **QDI** if you have used QGov in the past.

Your QDI helps us know that it is you when you are online with us.

You need a QDI to use Queensland Government online services.

Create your Queensland Digital Identity

You can create a QDI when you use a **Queensland Government online service**.

Examples of online services are when you get a Seniors Card or lodge your bond.

You will need documents like birth certificate, passport and Driver Licence.

Step 1: Log in to an online service

Enter the same email address and password you used for your QGov account.

Never share your password with anyone.

Step 2: Accept Terms and Privacy

Terms and Conditions

The safety and security of your private information are our top priority. Your private information is protected under the law – to find out more, you can read our privacy notice.

To continue you must agree to the [Queensland Digital Identity Terms and Conditions](#).

- *I have read and agree to the [Terms and Conditions](#).
- *I have read and agree to the [Privacy Policy](#), [Privacy Notice](#), and the provision of my private information to be used for the Queensland Digital Identity

Accept the **Terms and Conditions**.

These tell you how the QDI can be used.

Accept the **Privacy Notice**.

This tells you how we will keep your details safe and protected.

Step 3: Set up Multi-Factor Authentication

Choose an **authentication option** to get a code.

This keeps your account safe.

Option 1: Choose Google Authenticator, or a similar app on your phone to get a code.

Option 2: Choose SMS to get a code sent by text to your phone.

Option 1: Google Authenticator or similar app

Click the 'Copy code' button.

Open authenticator app.

Paste the code into the app.

It will make a new code.

Enter the new code into the QDI log in.

You will do this every time you log in to keep your account safe.

Option 2: SMS

Enter your mobile phone number.

You will be sent a code by text to your phone.

Enter the code.

* Given name/s

Only do this if the names on your documents are **not** the same.

Enter information from your **name change document**.

These include:

- **Australian Marriage Certificate**
- **Australian Change of Name Certificate**

Step 6: Confirm your legal name

Confirm your legal name

 You have successfully verified your credential. You will now need to confirm your legal name.

You have successfully verified your name using multiple documents and name change document.

Because you have provided multiple last names we need to confirm which is the correct last name to use.

The names that your provided are below.

* What is your full name?

BRENTON TREVOR GAW

JOHN TREVOR GAW

 If you want to use another name, other than the ones listed above, you will need to [provide another document](#) that includes your preferred name.

To confirm your current legal name pick your first, middle and family name from the list.

You can also do this next time you log in.

You are now set up with a QDI.
