Finn was looking for some new Adidas, Yeezy... He came across this website which had some ranging from \$10, so he bought some. Was it a good idea to buy from this website?

Yes
This is a bargain!

No
Yeezy's are normally over \$400. This seems to cheap.

Jenny receives this message from a man she met on Tinder. He lives in New Zealand and is 27 apparently. They had been talking for a few months then, she gets these messages.

Which two things should Jenny do?

Block Jason so that she doesn't receive any inappropriate or belittling messages.

Go over to New Zealand to meet Jason and his Grandma, then decide if she is going to help him.

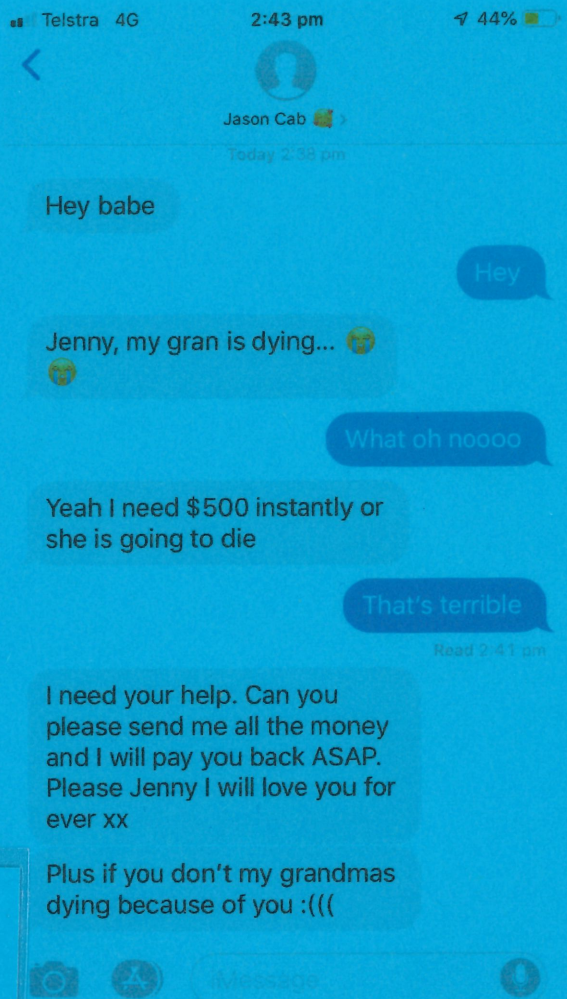

Not send Jason any money, as she only knows him through Tinder and has never meet him in person.

Send Jason some money to help his Grandma get better.
