ELECTORAL COMMISSION OF QUEENSLAND

In accordance with Section 63 of the *Electoral Act 1992*, I have ascertained and set out in Schedule A hereunder, as at the date indicated, the number of electors enrolled in each Electoral District for the State of Queensland and have determined the average district enrolment and the extent to which the number of electors enrolled in each district differs from the average enrolment.

Schedule B indicates the adjusted enrolment for Electoral Districts of 100,000 square kilometres or more in area, being the sum of the number of enrolled electors and the additional large district number as specified in Section 45 of the Act, and the extent to which those districts differ from the average district enrolment in Schedule A.

Notes to the remuneration schedule

In its 2014 report the then Tribunal explained the rationale behind the adoption of a system of remuneration which comprised a base payment (of two thirds of the annual remuneration) and a monthly payment based upon attendance at, and participation in, the 12 mandated council meetings.

Note 1 The monetary amounts shown are the per annum figures to apply from 1 July 2023. If an elected representative only serves for part of a full financial year (that is, 1 July to 30 June) they are only entitled to a pro rata payment to reflect the portion of the year served.

Note 2 For councillors in category 1 councils, a base payment of \$38,266.67 is payable for the 12 months commencing on 1 July 2023. A meeting fee of \$1,594.44 per calendar month (or fortnightly equivalent) is payable for attendance at, and participation in, scheduled meetings of council subject to certification by the mayor and/or chief executive officer of the council. Mayors and deputy mayors in category 1 councils are to receive the full annual remuneration level shown.
