**QUEENSLAND GOVERNMENT VACANCIES GAZETTE**

The Queensland Public Service is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants. The Queensland State Government's policy is to seek to retain skilled staff. Registered employees who apply for an advertised job will be considered before other applicants. The symbol (h) appears next to vacancies where an exemption from this requirement applies. Employees are to indicate in their application for the advertised job that they are registered with the Office of the Public Service Commission. The Queensland Public Service Commissioner is committed to equal opportunity in employment. Selection will be given on the basis of merit only and fair consideration will be given to all applicants.

**CONTINUOUS APPLICANT POOLS**

A continuous applicant pool allows you to apply for jobs within an occupation where vacancies are regularly available. This means that agencies can 'dip' into the pool for suitable applicants as soon as they have a vacancy. You can submit or refresh your application at any time. If you are refreshing your application, make sure that you indicate this either on your email or, if sending by post, in a covering letter. In search results, continuous applicant pools can be identified by 'Ongoing' in the 'Closes' column of a search result.

Note: If a continuous applicant pool is closing, applicants will be notified two weeks prior to this date. Applications may be used for up to six months after the pool closes.

**MULTI-AGENCY POOLS**

Some Queensland Government agencies are on the lookout for people to fill similar jobs or occupations at the same time. Some of these jobs have a fixed closing date and others are ongoing (continuous applicant pools). With multi-agency pools, you only have to apply once to access job opportunities across participating agencies. Your application will then be able to be viewed and assessed by all the agencies in that pool - or, if you prefer, you can specify that you want to be considered only for particular agencies. Make sure you check the specific vacancy to find out how each pool works.

**HOW TO APPLY**

When you have found the job you would like to apply for.

1. You can phone for a copy of the information kit or you can download the documents from the Smart Jobs and Careers website at [www.jobs.qld.gov.au](http://www.jobs.qld.gov.au). The information kit will include:
  - the position or job description detailing: background of the department or work area; roles and responsibilities, and selection criteria
  - a job information package, outlining the procedure for preparing and sending in your application, and
  - an application cover sheet.
2. Do your homework - research the agency to understand the background to the job.
3. Prepare your application. This should include your:
  - completed cover sheet (available on jobs online or in the kit mailed to you)
  - covering letter
  - resumé / curriculum vitae
  - names and contact details of (2) referees, and
  - responses to the selection criteria if required.
4. Mail or email your application (Details of where and how are available in either the job description or the job information package).

Check with the job vacancy contact person if you are unsure about how or where to submit your application or how many copies to send. Make sure you send your application by the closing date. If you don't, it may not be accepted. Once your application is received, you will usually be sent a written acknowledgement.

When applying for Continuous Applicant Pools, please check each vacancy for application instructions.

## Invitation for Written Suggestions for the Redivision of Brisbane City into 26 Electoral Wards

Following a reference by the Honourable the Minister for Local Government, Planning and Sport, a Local Government Electoral and Boundaries Review Commission has been established to undertake a complete redivision of Electoral Wards within the City of Brisbane.

In accordance with Section 88 of the *Local Government Act 1993*, the Commission invites written suggestions on the redivision of the City of Brisbane into 26 Electoral Wards and the names of any proposed Wards.

All suggestions should be lodged with the Commission **on or before 5.00 pm Monday, 12 March 2007**.

The Commission is required, when preparing the redivision, to ensure that the number of enrolled electors for each Electoral Ward does not differ from the average number of enrolled electors for Electoral Wards by more than + or – 10%. As at 31 January 2007 the average number of enrolled electors for each Electoral Ward was 24,346.

It would assist the Commission if anyone intending to submit maps with written suggestions could do so on maps of the present Electoral Wards. Persons and organisations requiring copies of these maps can telephone the Commission on (07) 3227 6478 to arrange supply. Current Electoral Ward enrolment statistics and a statement of the redivision criteria are also available on request.

As soon as practicable after the closing time, copies of all suggestions lodged with the Commission will be made available for public perusal at the office of the Electoral Commission of Queensland, Level 6, Forestry House, 160 Mary Street, Brisbane and at the Brisbane City Council Customer Service Centre, Brisbane Square, 266 George Street, Brisbane between the hours of 9.00 am and 5.00 pm and in Brisbane City Council libraries. Suggestions will also be made available on the Commission's website – [www.ecq.qld.gov.au](http://www.ecq.qld.gov.au).
