Notice is given under Schedule 1 of the repealed *Integrated Planning Act 1997* (IPA) that on 12 October 2011, the Fraser Coast Regional Council adopted amendments to the Hervey Bay City Planning Scheme 2006. It is important to note that, as the Fraser Coast Regional Council had started the process to amend the planning scheme under the repealed IPA, section 779 of the *Sustainable Planning Act 2009* (SPA) provides that the local government may continue to amend the planning scheme under the repealed IPA as if SPA had not commenced.

The amended Planning Scheme will have effect on and from 14 October 2011.

The amendment, which is substantial, includes:

- provisions, including definitions, that have been amended to provide for clarity, improvement, further direction and consistency;
- the introduction of new use types, overlays and codes;
- removal of a number of provisions that are otherwise regulated in other instruments and/or legislation to eliminate potential conflicts;
- alterations to types of development, levels of assessment and inconsistent uses to facilitate particular developments;
- rezoning of land including, but not limited to, the reflection of existing approvals; and
- mapping changes, including that pertaining to the Natural Areas Overlay and Wetlands and Waterways Overlay.

Copies of the Planning Scheme amendment are available for viewing on Council's website www.frasercoast.qld.gov.au by following the links Development and Building/Planning Schemes and Planning Scheme Policies or can be inspected and purchased at Council's Customer Service Centres in Hervey Bay (77 Tavistock Street, Torquay), Maryborough (431-433 Kent Street) and Tiaro (Tiaro Library, Gorgan Terrace).
